

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Davy Balanced Growth Fund

Class B € accumulating shares of Davy Balanced Growth Fund (the "Fund") a sub-fund of the Davy Funds Plc (the "Company"). (ISIN IE00BRJL4444)

Objectives and Investment Policy

Investment Objective:

To seek returns with a balance between capital growth and income generation with lower volatility than a typical long term growth strategy.

Investment Policy:

The Fund will invest in a diversified portfolio of authorised open-ended UCITS and alternative investment funds ("CIS"). The CIS that the Fund may invest in will be authorised as UCITS or alternative investment funds, consist of regulated collective investment schemes which may be domiciled in a member state of the EEA, the U.S., Jersey, Guernsey or the Isle of Man. The underlying investment schemes will invest in principally equity securities and fixed income on a global basis. The asset allocation strategy may be altered by the Investment Manager on a monthly basis or more frequently to take into account changes in the expected risk and correlations of the underlying asset classes.

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

- Historical data may not be a reliable indication for the future.
- The Risk and Reward profile is not guaranteed and may change over time.
- Past performance may not be reliable guide to future performance.
- The lowest category does not mean 'risk free'.
- The Fund is in category 4 (denoting medium risk, but with the potential for better reward) due to the implementation of its investment policy and process and because the Fund has medium volatility.

Other Information:

- The Fund may use FDIs for efficient portfolio management and currency hedging purposes. Such techniques and instruments include options and forwards.
- You can buy, exchange and sell shares in the Fund on a daily basis on any business day in Dublin.
- This class does not intend to pay a dividend. Any income generated by the Fund is reinvested to grow the value of your investment.
- The Fund may not be appropriate for investors who plan to withdraw their money in 2-3 years.

For full investment objectives and policy details please refer to the prospectus and the Fund's supplement which are available on www.davy.ie.

The indicator opposite does not take account of the following risks of investing in the Fund:

- Investing overseas can bring additional returns and spread risk to different markets. There are risks, however, that changes in currency rates may reduce the value of your investment.
- General Investment and Market Risks of the CIS: The Fund's activities may be significantly and adversely affected by general economic and market conditions, such as interest rates, availability of credit, inflation rates, economic uncertainty, changes in laws, and national and international political circumstances. These factors may affect the level and volatility of the CIS and the liquidity of the Fund's investments. Unexpected volatility or illiquidity could impair the Fund's returns or result in losses.
- Currency Risk: There is a risk of loss arising from exchange rate fluctuations or exchange control regulations.
- Use of derivatives for currency hedging purposes involves risks different from, or possibly greater than, the risks associated with investing directly in securities and other investment.

For a complete description of such risk factors, please see the section entitled "Risk Factors" in the Company's prospectus which is available on www.davy.ie.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	5%
Exit charge	3%
These are the maximum charges that we might take out of your money before it is invested and before we pay out the sale proceeds of your investment. In some cases, you might pay less and you should speak to your financial adviser about this.	
Charges taken from the Fund over a year	
Ongoing charges	1.13%
Charges taken from the Fund under certain specific conditions	
Performance fee	None

The Directors may impose an anti-dilution levy in the case of net subscriptions and/or net repurchases on a transaction basis as a percentage adjustment on the value of the relevant subscriptions or repurchases to reflect the impact of other dealing costs and to preserve the value of the underlying assets.

A maximum exchange charge of 2% may apply.

The ongoing charges figure shown here is based on the expense for the year ending 31 December 2016. The ongoing charges figure may vary from year to year and excludes the costs of buying or selling assets for the Fund (unless these assets are shares of another fund).

For more information about charges, please refer to prospectus and the Fund's supplement which are available on www.davy.ie.

Past Performance

Please be aware that past performance is not a reliable indicator of future results. The Fund was authorized by the Central Bank on 20 October 2014 and the share class was launched on 12 December 2014.

Past Performance has been calculated in EUR. The ongoing charges are included in the calculation of past performance and the entry/exit figures are excluded from the calculation of past performance.
