

Important Information

In publishing Financial Planning Insights, Davy aims to provide readers with summary information. The information contained in each article does not purport to be comprehensive or all inclusive and is strictly for informational purposes only. No party should treat any of the articles as constituting advice or rely on it to make investment decisions since they do not take into account the investment objectives or financial situation of any particular person. While Davy has taken reasonable care to ensure that the information provided in each article is accurate and up-to-date at the time of writing, the information is not promised or guaranteed to be correct or complete. Davy expressly disclaims all liability in respect to actions taken or not taken based on any or all the contents of the articles.

RISKS

A summary of the risks associated with taking any action outlined in the articles include, but are not limited to, the following:

- ▶ There are risks associated with any pension investment strategy. The value of the investment may go down as well as up. Investors may lose some or all of the money invested. There is no guarantee that the pension scheme will meet its objectives of long-term capital appreciation or the level of income required.
- ▶ Tax laws and regulations are constantly changing, and they may be changed with retrospective effect which may have a negative impact on pension schemes or underlying investments. No assurance can be given regarding the actual level of taxation that may be imposed upon pension schemes or underlying investments. Any tax information that may be provided for Irish resident clients is based on Davy's current understanding of the tax legislation in Ireland and the Revenue interpretation thereof.
- ▶ There is a risk associated with maturing pensions and the timing of same. You should discuss these risks with a professional pension expert prior to making a decision to redeem your pension prematurely.
- ▶ Various investment structures, vehicles and options are available to investors; each has its own benefits and risks, which cannot be fully outlined in this summary article. You should read any investment documentation carefully and discuss the risks with a professional legal and/or tax advisor prior to making an investment decision.
- ▶ Davy does not provide tax or legal advice. It is important to seek independent professional advice prior to making any decisions which have tax, legal or other financial implications.

Please note that the articles are general in nature and are not intended to constitute tax, financial or legal advice. They do not take account of your financial situation or investment objectives. Prior to making any decisions which have tax, legal or other financial implications, you should seek independent professional advice.

IMPORTANT INFORMATION
