A sub-fund of Skyline Umbrella Fund ICAV (the "ICAV")

ISIN: IE00BG0NV307

## Objectives and Investment Policy

The investment objective of the Fund is to generate capital growth over the medium to longer term.

The Fund intends to achieve its investment objective by investing, in equities, equity related securities, government and investment grade bonds and indirectly in these securities through Financial Derivative Instruments (FDI) subject to the leverage limits outlined in the Fund Prospectus.

The equities and equity related securities will primarily comprise of UK equities listed and traded on a recognised exchange. Examples of equity related securities may include equity market indices such as the FTSE 100, S&P 500, Eurostoxx 50, Russell 2000, Swiss Market Index, Topix and Nikkei 225 through which the Fund will gain exposure to all of the stock in that particular index.

At the beginning of the selection process, the Investment Manager considers which potential Indices, equities, or Bonds may benefit the Fund, having regard to the Fund's investment objective and policy as well as economic and market conditions.

The Dealing Day is Every Business Day and such additional day or days as the Directors may determine, and notify in advance to Shareholders.

The Fund is suitable for investors who are seeking capital growth over a medium to long term horizon but who are willing to tolerate medium to high risks due to the potentially volatile nature of the investments.

It is recommended that investors retain their investment in the Fund for a minimum of 3 years.

## Risk and Reward Profile

- Historical data may not be a reliable indication for the future.
- The Fund's risk category shown is not guaranteed and may change in the future for various reasons including general market developments and changes such as geo-political factors.
- The lowest category does not mean 'risk free'.

The risk and reward category shown is not a target or guaranteed and may shift over time. A category 1 is not a risk free investment. This indicator is not a measure of the risk of you losing the amount you have invested. The Fund is not guaranteed and your investment is at risk.

This Fund is in category 5 (denoting medium to high risk, but with the potential for medium to high rewards).

Any investment in any Fund should not constitute a substantial proportion of an investment portfolio and may not be appropriate for all investors.

The Fund may use total return swaps for investment purposes to gain economic exposure to the equities and the Indices. Up to 100% of the assets under management of the Fund may be, invested in such total return swaps.

The approved counterparty may provide collateral to the Fund, including cash, US treasury bills and other high-quality government bonds with a maturity of up to 7 years.

The level of leverage (calculated as a sum of the notional exposure of FDI being utilised by the Fund) will typically be in the range of 150% - 250% and is not expected to exceed 300% of the Net Asset Value of the Fund, although higher levels are possible.

The indicator above does not take account of the following risks of investing in the Fund.

**Credit Risk** – A borrower or counterparty may fail to repay or otherwise fail to meet contractual obligations to the Fund.

**Liquidity Risk** - under unusual market circumstances certain assets in which the Fund invests may be subject to liquidity constraints.

**Investment Risk** – The Fund may not achieve its investment objective. An investment in any Fund involves investment risks including possible loss of the amount invested.

**Foreign Exchange Risk** - As the Fund may invest in global equity securities, there is a risk of currency fluctuations, economic or financial insolvency, lack of timely or reliable financial information, possible imposition of foreign withholding taxes or unfavourable political, economic or legal developments.

There is no guarantee that the value of investments in this Fund will increase. Losses may be incurred on this investment.

For a full list of possible risk factors please see the section entitled "Risk Factors" set out in the Prospectus for the ICAV, which is available at [www.davy.ie/fund-services/funds](http://www.davy.ie/fund-services/funds).
