Choosing the right job for you

There are three basic ways you can make money on your own:

- 1. Offer a service**
- 2. Sell a product**
- 3. Provide information**

For kids, offering a service is probably the common way to make money. Let's start by looking at your skills and the things you like to do.

Take inventory of your talents. What are you good at? What do you like to do?

1.	5.	9.
2.	6.	10.
3.	7.	11.
4.	8.	12.

What may be easy or fun for you might not be for someone else.

People will pay you for things that they:

- ✓ **Can't do**
- ✓ **Don't want to do**
- ✓ **Don't have time to do**

Do any of your interests or skills fall into the above categories?
 Ask an adult if they are willing to pay for your service or product.
 If the answer is YES, EXCELLENT – you have your first customer!

If the answer is NO, find out what they need or want that you can do.
What are they willing to pay for that you can do?
