The minimum issued share capital of the ICAV is Euro 2 or its equivalent in another currency. The maximum issued share capital of the ICAV, as may be amended by the Directors from time to time and notified to Holders, is Euro 1,000,000,000,000 or its equivalent in any other currency.

6. UMBRELLA FUND

The ICAV is an “umbrella fund” comprising separate portfolios of Assets and liabilities attributable thereto referred to herein as Fund(s) as further described in Section 9 of Appendix II by reference to which shares are issued.

7. ISSUE OF SHARES

- 7.1 Shares may only be issued as fully paid and shall have no par value.
- 7.2 The amount of the paid up share capital of the ICAV shall at all times be equal to the Net Asset Value of the ICAV.
- 7.3 The Directors may from time to time issue fractions of shares. Notwithstanding anything contained in this Instrument the Holder of a fraction of a share may not exercise any voting rights in respect of such shares.
- 7.4 The Directors may issue any of the unclassified shares as participating shares in a Fund with such rights or restrictions as the Directors may determine. The Directors may issue more than one Class of shares which participate in a Fund. The provisions contained in Sections 1 to 8 of Appendix II shall govern the terms and conditions relating to the issue of shares.
- 7.5 The Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to issue shares, Subscriber Shares and Debentures within the meaning of section 38 of the Act.
- 7.6 Classes may be hedged or unhedged as designated by the Directors at the time of their issue. The costs and/or gains/losses of hedging will accrue solely to the relevant Class. As foreign exchange hedging may be utilised for the benefit of a particular Class, its cost and related liabilities and/or benefits shall be for the account of that Class only. Accordingly, such costs and related liabilities and/or benefits will be reflected in the Net Asset Value per share for shares of any such Class. As foreign exchange hedging may be utilised for the benefit of a particular Class, its cost and related liabilities and/or benefits shall be for the account of that Class only. Accordingly, such costs and related liabilities and/or benefits will be reflected in the Net Asset Value per share for shares of any such Class.
- 7.7 The Directors, on the allotment and issue of any shares, may impose restrictions on the transferability or disposal of the shares as may be considered by the Directors to be in the best interests of the Holders as a whole.
- 7.8 The Directors may in their absolute discretion refuse to accept any application for shares in the ICAV or accept any application in whole or in part.
- 7.9 The Directors are generally and unconditionally authorised to exercise all powers of the ICAV to allot relevant securities, including fractions thereof, (as defined for the purposes of Section 20 of the 1983 Act) up to an amount equal to the authorised but as yet unissued share capital of the ICAV.
- 7.10 Shares issued solely for the purposes of the incorporation of the ICAV and to enable the ICAV to seek authorisation under the Regulations from the Central Bank will be issued at an issue price of €1 per share and shall be known as Subscriber Shares. Subscriber Shares will be transferred to investors who apply for shares during the relevant Initial Offer Period and prior to the expiration of such Initial Offer Period shall, save for 2 Subscriber Shares of €1 per share, be redesignated as shares.

7.11 Notwithstanding any other provision of this Instrument the Directors may permit title to the shares to be transferred by means of a computer based system and the Directors shall have the power to implement any arrangements they think fit for evidencing title and arranging transfer of such shares and may implement any ancillary arrangements (including any anti-money laundering requirements) which seem to them necessary or desirable in respect of shares to be transferred via such a system.

8. VARIATION OF RIGHTS

8.1 Whenever the share capital is divided into different Classes of shares, the rights attached to any Class may be varied or abrogated with the consent in writing of the Holders of three-fourths in number of the issued shares of that Class, or with the sanction of a special resolution passed at a separate general meeting of the Holders of the shares of the Class, and may be so varied or abrogated either whilst the ICAV is a going concern or during or in contemplation of a winding-up but such consent or sanction will not be required in the case of a variation, amendment or abrogation of the rights attached to any shares of any Class if, in the view of the Directors, such variation, amendment or abrogation does not materially prejudice the interests of the relevant Holders or any of them. Any such variation, amendment or abrogation will be set out in a supplement to (or restatement of) the relevant Supplement originally issued in connection with the relevant shares, a copy of which will be sent to the relevant Holders entered on the register on the date of issue of such document and will be binding on the relevant Holders. The quorum at any such separate general meeting, other than an adjourned meeting, shall be two persons holding or representing by proxy at least one third of the issued shares of the Class in question and the quorum at an adjourned meeting shall be one person holding shares of the Class in question or his proxy.

8.2 The rights conferred upon the Holders of the shares of any Class issued with preferred or other rights shall not, unless otherwise expressly provided by this Instrument or the terms of the issue of the shares of that Class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto.

9. VOTING RIGHTS

The ICAV may issue voting shares and non-voting shares. The non-voting shares carrying no right to notice of, attend or vote at general meetings of the ICAV or any Fund. In respect of the voting shares, subject to any rights or restrictions for the time being attached to any Class or Classes of voting shares, on a show of hands every Holder who is present in person or by proxy shall have one vote and the Holder(s) of Subscriber Shares present in person or by proxy shall have one vote in respect of all the Subscriber Shares in issue and on a poll every Holder present in person or by proxy shall have one vote for every voting share of which he is the Holder and every Holder of a Subscriber Share present in person or by proxy shall have one vote in respect of his holding of Subscriber Shares. On a poll of all the Holders of shares in a Fund, where there is more than one Class of shares in existence in that Fund, the voting rights of such Holders may at the discretion of the Directors be adjusted in such manner, determined by the Directors, so as to reflect the most recently calculated price at which the shares of each of the Classes in question may be repurchased by the ICAV. Holders who hold a fraction of a voting share may not exercise any voting rights, whether on a show of hands or on a poll, in respect of such fraction of a voting share. In accordance with the requirements of the Central Bank, the decision to subscribe for any Class of shares in respect of which the voting rights are restricted shall be made solely by the investor and any Holder of non-voting shares shall have the right to switch their holding to voting shares without incurring any fee or charge on such exchange.

10. TRUSTS NOT RECOGNISED

Except as required by law, no person shall be recognised by the ICAV as holding any share upon any trust, and the ICAV shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by this Instrument or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder. This shall not preclude the ICAV from requiring the Holders or a transferee of shares to furnish the ICAV with information as to the beneficial ownership of any share when such information is reasonably required by the ICAV.

11. DISCLOSURE OF INTERESTS

11.1 Notwithstanding the provisions of the immediately preceding Section, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the interests of the ICAV to do so, may give a notice to the Holder or Holders of any share (or any of them) requiring such Holder or Holders to notify the

- 11.2 If, pursuant to any notice given under paragraph 11.1, the person stated to own any beneficial interest in a share or the person in favour of whom any Holder (or other person having any beneficial interest in the share) has entered into any arrangements referred to in sub-paragraph 11.1(c), is a body corporate, trust, society or any other legal entity or association of individuals and/or entities, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the best interests of the ICAV to do so, may give a notice to the Holder or Holders of such share (or any of them) requiring such Holder or Holders to notify the ICAV in writing within such period as may be specified in such notice (which shall not be less than twenty eight days from the date of service of such notice) of full and accurate particulars of the name and addresses of the individuals who control (whether directly or indirectly and through any number of vehicles, entities or arrangements) the beneficial ownership of all the shares, interests, units or other measure of ownership of such body corporate, trust, society or other entity or association wherever the same shall be incorporated, registered or domiciled or wherever such individuals shall reside provided that if at any stage of such chain of ownership the beneficial interest in any share shall be established to the satisfaction of the Directors to be in the ownership of any body corporate any of whose share capital is listed or dealt in on any bona fide stock exchange, unlisted securities market or over-the-counter securities market, it shall not be necessary to disclose details of the individuals ultimately controlling the beneficial interests in the shares of such body corporate.
- 11.3 The Directors, if they think fit, may give notices under paragraphs 11.1 and 11.2 at the same time on the basis that the notice given pursuant to paragraph 11.2 shall be contingent upon disclosure of certain facts pursuant to a notice given pursuant to paragraph 11.1.
- 11.4 The Directors may require (before or after the receipt of any written particulars under this Section) any such particulars to be verified by statutory declaration.
- 11.5 The Directors may serve any notice pursuant to the terms of this Section irrespective of whether or not the Holder on whom it shall be served may be dead, bankrupt, insolvent or otherwise incapacitated and no such incapacity or any unavailability of information or inconvenience or hardship in obtaining the same shall be a satisfactory reason for failure to comply with any such notice provided that if the Directors in their absolute discretion think fit, they may waive compliance in whole or in part with any notice given under this Section in respect of a share in any case of bona fide unavailability of information or genuine hardship or where they otherwise think fit but no such waiver shall prejudice or affect in any way any non-compliance not so waived whether by the Holder concerned or any other joint Holder of the share or by any person to whom a notice may be given at any time.
- 11.6 For the purpose of establishing whether or not the terms of any notice served under this Section shall have been complied with the decision of the Directors in this regard shall be final and conclusive and shall bind all persons interested.

12. PAYMENT OF COMMISSION

- 12.1 Subject to the provisions of the Regulations, the ICAV may pay any brokerage or commission in connection with the allotment or issue of shares. Subject to the provisions of this Instrument, any such commission may be satisfied by the payment of cash or by the allotment of fully paid shares or partly in one way and partly in the other.

PART III - REPURCHASE AND EXCHANGE OF SHARES

13. RIGHT OF REPURCHASE

Holders shall have the right to request the ICAV to repurchase their shares in accordance with the terms and conditions set out in Sections 12 to 16 of Appendix II.

14. RIGHT OF EXCHANGE

14.1 Holders shall have the right to exchange all or any of their shares in accordance with the terms and conditions set out in Section 10 of Appendix II.

PART IV - SHARE CERTIFICATES

15. CONFIRMATIONS OF OWNERSHIP

15.1 Subscriber Shares and shares are issued in fully registered book-entry form only. Share certificates will not be issued by the ICAV and a shareholder shall have his title to shares evidenced by having his name, address and the number of shares held by him, date of entry and cessation of membership of the ICAV and the member and Fund entered on the register.

15.2 Every Holder shall receive written confirmation of ownership in respect of his holding of shares. A Holder will not be entitled to be issued with a share certificate unless the Directors otherwise determine in relation to the shares or any Fund or Class. The ICAV shall not be bound to register more than four persons as joint Holders of any share (except in the case of executors or trustees of a deceased member).

PART V - TRANSFER OF SHARES AND DEBENTURES

16. FORM OF INSTRUMENT OF TRANSFER

16.1 Subject to such of the restrictions of this Instrument and to such of the conditions of issue as may be applicable, the shares or Debentures of any Holder may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.

17. EXECUTION OF INSTRUMENT OF TRANSFER

The instrument of transfer of any share or Debenture shall be executed by or on behalf of the transferor. The transferor shall be deemed to remain the Holder of the share or Debenture until the name of the transferee is entered in the Register in respect thereof.

18. PAYMENT OF TAXATION UPON TRANSFER

The Directors may repurchase and cancel a sufficient portion of the transferor's shares or Debentures to discharge any taxation payable to the Revenue Commissioners in Ireland in respect of a transfer of shares by a Holder who is or is deemed to be a Taxable Irish Person or acting on behalf of such a person.

19. REFUSAL TO REGISTER TRANSFERS

19.1 The Directors in their absolute discretion and without assigning any reason therefore may decline to register any transfer of a share to (i) a U.S. Person (unless permitted under certain exceptions under the laws of the United States) or; (ii) any person who does not clear such money laundering checks as the Directors may determine; or (iii) any person who appears to be in breach of any law or requirement of any country or government authority or by virtue of which such person is not qualified to hold such shares; or (iv) any person or persons in circumstances (whether directly or indirectly affecting such person or persons, and whether taken alone or in conjunction with any other person or persons, connected or not, or any other circumstances appearing to the Directors to be relevant) which, in the opinion of the Directors, might result in the ICAV, the relevant Fund or its Holders incurring any liability to taxation or suffering any other pecuniary, legal or material administrative disadvantages or being in breach of any law or regulation which the ICAV, the relevant Fund or its Holders might not otherwise have incurred, suffered or breached; or (v) an individual under the age of 18 (or such other age as the Directors may think fit) or of unsound mind; or (vi) any person unless the transferee of such shares would, following such transfer, be the Holder of shares equal to or greater than the Minimum Initial

Investment Amount (where relevant); or (vii) any person in circumstances where as a result of such transfer the transferor or transferee would hold less than the Minimum Shareholding; or (viii) any person where in respect of such transfer any payment of taxation remains outstanding.

19.2 The Directors may decline to recognise any instrument of transfer unless it is accompanied by the certificate for the shares to which it relates (if issued), is in respect of one class of share only, is in favour of not more than four transferees and is lodged at the registered office or at such other place as the Directors may appoint.

20. PROCEDURE ON REFUSAL

If the Directors refuse to register a transfer then, within two months after the date on which the transfer was lodged with the ICAV, they shall send to the transferee notice of the refusal.

21. CLOSING OF TRANSFER BOOKS

The registration of transfers of shares or of transfers of any Class of shares or Debentures may be deferred at such times and for such periods (not exceeding thirty days in each year) as the Directors may determine.

22. REGISTRATION FEES

A fee may be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share or Debenture.

23. RETENTION OF TRANSFER INSTRUMENTS

The ICAV shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

24. RENUNCIATION OF ALLOTMENT

Nothing in this Instrument shall preclude the Directors from recognising a renunciation of the allotment of any shares by the allottee in favour of some other person provided such other person is a Permitted Investor.

25. COMPULSORY TRANSFER OF SHARES

The Directors shall have the power to arrange for the compulsory transfer of shares acquired by or on behalf of a person who is not a Permitted Investor in accordance with the provisions set out in Section 20 of Appendix II.

PART VI - TRANSMISSION OF SHARES

26. DEATH OF HOLDER

If a Holder dies the survivor or survivors where he was a joint Holder, and his personal representatives where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the ICAV as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased Holder from any liability in respect of any share which had been jointly held by him.

27. TRANSMISSION ON DEATH OR BANKRUPTCY/MINORS

27.1 Any guardian of an infant Holder and any curator or other legal representative of a Holder under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Holder may elect, upon such evidence being produced as the Directors may properly require, either to become the Holder of the share or to make such transfer thereof as the deceased or bankrupt Holder or Holder under a disability could have made. If he elects to become the Holder he shall give notice to the ICAV to that effect. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. All of this Instrument relating to the transfer of shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the Holder and the death or bankruptcy or disability of the Holder had not occurred.

28. RIGHTS BEFORE REGISTRATION

A person becoming entitled to a share by reason of the death or bankruptcy of a Holder (upon supplying to the ICAV such evidence as the Directors may reasonably require to show his title to the share) shall have the rights to which he would be entitled if he were the Holder of the share, except that, before being registered as the Holder of the share, he shall not be entitled in respect of it to attend or vote at any meeting of the ICAV or at any separate meeting of the Holders of any Class in the ICAV, so, however, that the Directors, at any time, may give notice requiring any such person to elect either to be registered himself or to transfer the share and, if the notice is not complied with within ninety days, the Directors thereupon may withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

PART VII - GENERAL MEETINGS

29. GENERAL MEETINGS

- 29.1 The Directors have elected to dispense with the holding of an annual general meeting in accordance with section 89(4) of the Act, such election to take effect from the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation and to continue indefinitely unless an annual general meeting is convened in accordance with Section 29.2.
- 29.2 The ICAV will be required to hold an annual general meeting where
- (a) one or more Holders holding, or together holding, not less than 10% of the voting rights in the ICAV; or
 - (b) the Auditors, may require the ICAV to hold an annual general meeting in that year by giving e notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting. For the avoidance of doubt, such a request cannot be made until one year from the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation.
- 29.3 In circumstances where the ICAV is required to hold an annual general meeting it will comply with the relevant requirements of section 89 of the Act.
- 29.4 All general meetings other than annual general meetings shall be called extraordinary general meetings.

30. CONVENING GENERAL MEETINGS

- 30.1 The Directors may call an extraordinary general meeting whenever they think fit. If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or any two Holders may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.
- 30.2 One or more Holders holding, or together holding, at any time not less than 75% of the voting rights in the ICAV may convene an extraordinary general meeting of the ICAV.
- 30.3 The Directors shall, at the request of one or more Holders holding, or together holding, at the date of the making of the request, not less than 10% of the voting rights in the ICAV, proceed to convene an extraordinary general meeting of the ICAV. The request shall state the objects of the meeting and shall be signed by those making the request and deposited at the Office and may consist of several documents in like form each signed by one or more of those making the request. If the Directors do not within 21 days after the date of the deposit of the request proceed to convene a meeting to be held within 2 months after that date, those making the request, or any of them representing more than 50% of the total voting rights of all of them, may themselves convene a meeting, but any meeting so convened shall not be held more than 3 months after the date the request was first made. Any reasonable expenses incurred by those making the request by reason of the failure of the Directors to convene a meeting shall be repaid to those making the request by the ICAV and any sum so repaid shall be retained by the ICAV out of any sums due or to become due from the ICAV by way of fees or other remuneration in respect of their services to such of the Directors as were in default. For the purpose of a meeting called in accordance with Section 30.1 or this Section, the Directors shall, in the case of a meeting at which a resolution is to be proposed as a special resolution, be deemed not to have duly convened the meeting if they do not give such due notice of it. For the avoidance of doubt, a meeting

convened under Section 30.2 or this Section, shall be convened in the same manner as nearly as possible as that in which meetings are to be convened by Directors.

31. NOTICE OF GENERAL MEETINGS

- 31.1 Subject to the provisions of the Act allowing a general meeting to be called by shorter notice, an annual general meeting (if any), an extraordinary general meeting called for the passing of a special resolution and all other extraordinary general meetings shall be called by at least fourteen Clear Days' notice.
- 31.2 Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a Holder entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a Holder. Subject to any restrictions imposed on any shares, the notice shall be given to all the Holders and to the Directors and the Auditors.
- 31.3 The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.

PART IX - PROCEEDINGS AT GENERAL MEETINGS

32. QUORUM FOR GENERAL MEETINGS

- 32.1 No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of Holders or Holders of Subscriber Shares is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, two persons entitled to vote upon the business to be transacted, each being a Holder or a Holder of Subscriber Shares or a proxy for such Holders or a duly authorised representative of a corporate Holder, shall be a quorum.
- 32.2 If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, one person entitled to be counted in a quorum present at the meeting shall be a quorum.

33. CHAIRMAN OF GENERAL MEETINGS

- 33.1 The chairman of the board of Directors or, in his absence, the deputy chairman (if any) or, in his absence, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman.
- 33.2 If at any meeting no Director is willing to act as chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Holders present (in person or by proxy or by representative) and entitled to vote shall choose one of the Holders (including his proxy or its duly authorised representative) personally present to be chairman of the meeting.

34. DIRECTORS' AND AUDITORS' RIGHT TO ATTEND GENERAL MEETINGS

A Director shall be entitled, notwithstanding that he is not a Holder, to attend and speak at any general meeting and at any separate meeting of the Holders of any Class in the ICAV. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

35. ADJOURNMENT OF GENERAL MEETINGS

The chairman, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted

at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for fourteen days or more or sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

36. DETERMINATION OF RESOLUTIONS

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

37. ENTITLEMENT TO DEMAND POLL

37.1 Subject to the provisions of the Act, a poll may be demanded:

- (a) by the chairman of the meeting;
- (b) by at least two Holders present (in person or by proxy) having the right to vote at the meeting; or
- (c) by any Holder or Holders present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the Holders having the right to vote at the meeting.

38. TAKING OF A POLL

38.1 Save as provided in paragraph 38.2 of this Section, a poll shall be taken in such manner as the chairman directs and he may appoint scrutineers (who need not be Holders) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

38.2 A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.

38.3 No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

39. VOTES OF HOLDERS

Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any Class or Classes of shares:

- (a) on a show of hands every Holder, who is present in person or by proxy, shall have one vote and the Holder(s) of Subscriber Shares present in person or by proxy shall have one vote in respect of all the Subscriber Shares in issue;
- (b) on a poll every Holder present in person or by proxy shall have one vote for every share of which he is the Holder and every Holder of a Subscriber Share present in person or by proxy shall have one vote in respect of his holding of Subscriber Shares;
- (c) on a poll of all the Holders of shares in a Fund, where there is more than one Class of shares in existence in that Fund, the voting rights of such Holders may at the discretion of the Directors be

adjusted in such manner, determined by the Directors, so as to reflect the most recently calculated price at which the shares of each of the Classes in question may be repurchased by the ICAV;

- (d) a Holder or Holders who hold a fraction of a share may not exercise any voting rights, whether on a show of hands or on a poll, in respect of such fraction of a share.

40. WRITTEN RESOLUTIONS

A resolution in writing executed by or on behalf of each Holder who would have been entitled to vote upon it if it had been proposed at a meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Holders. In the case of a corporation a resolution in writing may be signed on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

41. CHAIRMAN'S CASTING VOTE

Where there is an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

42. VOTING BY JOINT HOLDERS

Where there are joint Holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint Holders and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the share.

43. VOTING BY INCAPACITATED HOLDERS

- 43.1 A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with this Instrument for the deposit of instruments of proxy by such time as the Directors may determine before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

44. RESTRICTION OF VOTING RIGHTS

- 44.1 If at any time the Directors shall determine that a Specified Event (as defined in paragraph 44.5 of this Section) shall have occurred in relation to any share or shares the Directors may serve a notice to such effect on the Holder or Holders thereof. Upon the service of any such notice (in this Instrument referred to as a restriction notice) no Holder or Holders of the share or shares specified in such restriction notice shall be entitled, for so long as such restriction notice shall remain in force, to attend or vote at any general meeting, either personally or by proxy.
- 44.2 A restriction notice shall be cancelled by the Directors as soon as reasonably practicable, but in any event not later than forty-eight hours, after the Holder or Holders concerned shall have remedied the default by virtue of which the Specified Event shall have occurred. A restriction notice shall automatically cease to have effect in respect of any share transferred upon registration of the relevant transfer provided that a restriction notice shall not cease to have effect in respect of any transfer where no change in the beneficial ownership of the share shall occur and for this purpose it shall be assumed that no such change has occurred where a transfer form in respect of the share is presented for registration having been stamped at a reduced rate of stamp duty by virtue of the transferor or transferee claiming to be entitled to such reduced rate as a result of the transfer being one where no beneficial interest passes.
- 44.3 The Directors shall cause a notation to be made in the Register against the name of any Holder or Holders in respect of whom a restriction notice shall have been served indicating the number of shares specified in such restriction notice and shall cause such notation to be deleted upon cancellation or cesser of such restriction notice.

44.4 Any determination of the Directors and any notice served by them pursuant to the provisions of this Section shall be conclusive as against the Holder or Holders of any share and the validity of any notice served by the Directors in pursuance of this Section shall not be questioned by any person.

44.5 For the purpose of this Instrument the expression Specified Event in relation to any share shall mean the failure by the Holder thereof or any of the Holders thereof to comply, to the satisfaction of the Directors, with all or any of the terms of Section 11 in respect of any notice or notices given to him or any of them thereunder.

45. TIME FOR OBJECTION TO VOTING

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid. Any such objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

46. APPOINTMENT OF PROXY

Every Holder entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf. The instrument appointing a proxy shall be in writing in any usual form or in any other form which the Directors may approve and shall be executed by or on behalf of the Holder. The signature on such instrument need not be witnessed. A body corporate may execute a form of proxy under its common seal or under the hand of a duly authorised officer thereof. A proxy need not be a Holder.

47. BODIES CORPORATE ACTING BY REPRESENTATIVES AT MEETINGS

Any body corporate which is a Holder may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the ICAV or of any Class of Holders of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Holder.

48. DEPOSIT OF PROXY INSTRUMENTS

The instrument appointing a proxy and any authority under which it is executed or a copy, certified notarially or in some other way approved by the Directors, shall be deposited at the Office or (at the option of the Holder) at such other place or places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting or adjourned meeting at such time as may be determined by the Directors before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default shall not be treated as valid. Provided that an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not require to be delivered again for the purposes of any subsequent meeting to which it relates.

49. EFFECT OF PROXY INSTRUMENTS

Deposit of an instrument of proxy in respect of a meeting or adjourned meeting shall not preclude a Holder from attending and voting at the meeting or at any adjournment thereof. The instrument appointing a proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

50. EFFECT OF REVOCATION OF PROXY OR OF AUTHORISATION

50.1 A vote given or poll demanded in accordance with the terms of an instrument of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the instrument of proxy or of the authority under which the instrument of proxy was executed or of the resolution authorising the representative to act or transfer of the share in respect of which the instrument of proxy or the authorisation of the representative to act was given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the Office at least one hour before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used or at which the representative acts.

50.2 The Directors may send, at the expense of the ICAV, by post or otherwise, to the Holders instruments of proxy (with or without stamped envelopes for their return) for use at any general meeting or at any Class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Holders entitled to be sent a notice of the meeting and to vote thereat by proxy.

51. CLASS MEETINGS

Save as otherwise provided in this Instrument, the provisions of Sections 29 to 510 shall apply mutatis mutandis to Class meetings and meetings of Holders of shares in a Fund as they apply to general meetings.

PART X - DIRECTORS

52. NUMBER OF DIRECTORS

Unless otherwise determined by the ICAV in general meeting the number of Directors shall not be less than two.

53. SHARE QUALIFICATION

A Director shall not be required to hold any shares in the ICAV.

54. ORDINARY REMUNERATION OF DIRECTORS

Unless otherwise determined from time to time by the ICAV in general meeting, the ordinary remuneration of each Director shall be determined from time to time by resolution of the Directors.

55. SPECIAL REMUNERATION OF DIRECTORS

Any Director who is appointed as an executive director (including for this purpose the office of chairman or deputy chairman) or who serves on any committee, or who otherwise performs services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, may be paid such extra remuneration by way of fees, commission or otherwise as the Directors may determine.

56. EXPENSES OF DIRECTORS

The Directors may be paid all travelling, hotel and other out-of-pocket expenses properly incurred by them in connection with their attendance at meetings of the Directors or committees established by the Directors or general meetings or separate meetings of the Holders of any Class of shares of the ICAV or otherwise in connection with the discharge of their duties.

57. ALTERNATE DIRECTORS

57.1 Any Director may appoint by writing under his hand any person (including another Director) to be his alternate provided always that no such appointment of a person other than a Director as an alternate shall be operative unless and until such appointment shall have been approved by the Central Bank. Any such authority may be sent by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors and may bear a printed or facsimile signature of the Director giving such authority.

57.2 An alternate Director shall be entitled to receive notices of all meetings of the Directors and of all meetings of committees established by the Directors of which his appointor is a member, to attend and vote at any such meeting at which the Director appointing him is not personally present and in the absence of his appointor to exercise all the powers, rights, duties and authorities of his appointor as a Director (other than the right to appoint an alternate hereunder).

57.3 Save as otherwise provided in this Instrument, an alternate Director shall be deemed for all purposes to be a Director and shall alone be responsible for his own acts and defaults and he shall not be deemed to be the agent of the Director appointing him. The remuneration of any such alternate Director shall be payable out of the remuneration paid to the Director appointing him and shall consist of such portion of the remuneration of the Director as shall be agreed between the alternate and the Director appointing him.

- 57.4 A Director may revoke at any time the appointment of any alternate appointed by him. If a Director shall die or cease to hold the office of Director the appointment of his alternate shall thereupon cease and determine but if a Director retires by rotation or otherwise but is reappointed or deemed to have been re-appointed at the meeting at which he retires, any appointment of an alternate Director made by him which was in force immediately prior to his retirement shall continue after his re-appointment.
- 57.5 Any appointment or revocation by a Director under this Section shall be effected by notice in writing given under his hand to the Secretary or deposited at the Office or in any other manner approved by the Directors.

PART XI - POWERS OF DIRECTORS

58. DIRECTORS' POWERS

- 58.1 Subject to the provisions of the Act, the Regulations, the Memorandum of Association of the ICAV and this Instrument and to any directions by the Holders given by ordinary resolution, not being inconsistent with this Instrument, with the Act or with the Regulations, the business of the ICAV shall be managed by the Directors who may do all such acts and things and exercise all the powers of the ICAV as are not by the Act, the Regulations or by this Instrument required to be done or exercised by the ICAV in general meeting. Without prejudice to the generality of the foregoing, the Directors may exercise all powers of the ICAV in relation to the investment of the Assets in accordance with Section 22 of Appendix II.
- 58.2 No alteration of this Instrument and no such direction shall invalidate any prior act of the Directors which would have been valid if that alteration had not been made or that direction had not been given. The powers given by this Section shall not be limited by any special power given to the Directors by this Instrument and a meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.

59. POWER TO DELEGATE

Without prejudice to the generality of the last preceding Section, the Directors may delegate any of their powers to any committee comprising at least one Director. Any such delegation may be made subject to any conditions the Directors may impose, and either collaterally with or to the exclusion of their own powers and may be revoked. Subject to any such conditions, the proceedings of a committee with two or more members shall be governed by the provisions of this Instrument regulating the proceedings of Directors so far as they are capable of applying.

60. APPOINTMENT OF ATTORNEYS/AGENTS/DELEGATES/DEPOSITARY

- 60.1 The Directors, from time to time and at any time by power of attorney under seal or otherwise, may appoint any company, firm or person or fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or agent or delegate of the ICAV for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under this Instrument) and for such period and subject to such conditions as they may think fit. as at the date of commencement to wind up and the amount so apportioned to a Class shall be distributed to Holders pro-rata to the number of shares in that Class of shares held by them.

95.3 The assets available for distribution among the Holders of the ICAV or Fund shall then be applied in the following priority:

- (a) firstly, in the payment to the holders of the shares of each Fund or Class of a sum in the currency in which that Fund or Class is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the shares of such Fund or Class held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available to enable such payment to be made;
- (b) secondly, in the payment to the holders of the Subscriber Shares or Capitalisation Shares, sums up to the nominal amount paid thereon out of the assets of the ICAV not comprised within any Funds remaining after any recourse thereto under sub paragraph (a) above; and
- (c) thirdly, in the payment to the holders of each Fund or Class of any balance then remaining, such payment being made in proportion to the number of shares of that Fund or Class held.

95.4 If the ICAV shall be wound up (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may, with the authority of a Special Resolution and any other sanction required by Part 11 of the Companies Act 2014, divide among the Holders in specie the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the member or different classes of Holders. If a Holder so requests, the liquidator shall procure the sale of assets to be distributed and shall distribute the proceeds to the Holders. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of shareholders as the liquidator, with the like authority, shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no member shall be compelled to accept any assets in respect of which there is a liability.

96. DISTRIBUTION IN SPECIE

If the ICAV shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a special resolution of the relevant Holders and any other sanction required by the Act, divide among the Holders of shares of any Class or Classes of a Fund in specie the whole or any part of the Assets of the ICAV relating to that Fund, and whether or not the Assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between all the Holders of shares or the Holders of different Classes of shares as the case may be. The liquidator may, with the like authority, vest any part of the Assets in trustees upon such trusts for the benefit of Holders as the liquidator, with the like authority, shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no Holder shall be compelled to accept any Assets in respect of which there is a liability. A Holder may require the liquidator instead of transferring any Asset in specie to him/her, to arrange for a sale of the Assets and for payment to the Holder of the net proceeds of same.

PART XXII - MISCELLANEOUS

The Directors shall cause minutes to be made of the following matters, namely:

- 97.2 of the names of Directors present at every meeting of the Directors and of the names of any Directors and of all other members thereof present at every meeting of any committee established by the Directors; and
- 97.3 of all resolutions and proceedings of all meetings of the ICAV and of the Holders of any Class or Classes of shares in the ICAV and of the Directors and of committees established by the Directors. Any such minute as aforesaid, if purporting to be signed by the chairman of the meeting at which the proceedings were had, or by the chairman of the next succeeding meeting, shall be receivable as prima facie evidence of the matters stated in such minute without any further proof.

98. INSPECTION AND SECRECY

The Directors shall determine from time to time whether and to what extent and at what times and places and under what conditions or regulations the accounts and books and records of the ICAV or any of them shall be open to the inspection of Holders, not being Directors, and no Holder (not being a Director) shall have any right of inspecting any account or book or record of the ICAV except as conferred by the Act or authorised by the Directors or by the ICAV in general meeting. No Holder shall be entitled to require discovery of or any information respecting any detail of the ICAV's trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, or secret process which may relate to the conduct of the business of the ICAV and which in the opinion of the Directors it would be inexpedient in the interests of the Holders to communicate to the public.

99. DESTRUCTION OF RECORDS

The ICAV shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof, all notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates (if issued) and dividend mandates which have been cancelled or ceased to have effect at any time after the expiration of one year from the date of such cancellation or cessation. It shall be presumed conclusively in favour of the ICAV that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument duly and properly registered and every share certificate (if issued) so destroyed was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the ICAV. Provided always that:

- 99.1 the provision aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- 99.2 nothing herein contained shall be construed as imposing upon the ICAV any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances which would not attach to the ICAV in the absence of this Section; and
- 99.3 references herein to the destruction of any document include references to the disposal thereof in any manner.

100. UNTRACED HOLDERS

- 100.1 The ICAV shall be entitled to sell at the best price reasonably obtainable any share of a Holder or any share to which a person is entitled by transmission if and provided that:
 - (a) for a period of twelve years no cheque or warrant sent by the ICAV through the post in a pre-paid letter addressed to the Holder or to the person entitled by transmission to the share at his address on the Register or the last known address given by the Holder or the person entitled by transmission to which cheques and warrants are to be sent has been cashed and no communication has been received by the ICAV from the Holder or the person entitled by transmission (provided that during such twelve year period at least three dividends shall have become payable in respect of such share);
 - (b) at the expiration of the said period of twelve years by advertisement in a national daily newspaper published in the State and in a newspaper circulating in the area in which the address referred to in sub-paragraph 105.1.1 of this Section is located, the ICAV has given notice of its intention to sell such share; and
 - (c) during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale the ICAV has not received any communication from the Holder or person entitled by transmission.
- 100.2 To give effect to any such sale the ICAV may appoint any person to execute as transferor an instrument of transfer of such share and such instrument of transfer shall be as effective as if it had been executed by the Holder or the person entitled by the transmission to such share. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

100.3 The ICAV shall account to the relevant Fund or, if the Fund is no longer in existence, to such persons as the Directors may determine for the net proceeds of such sale.

101. INDEMNITY

101.1 Subject to section 84 of the Act, every Director, Secretary and other officer or servant of the ICAV shall be indemnified by the ICAV against, and it shall be the duty of the Directors out of the Assets to pay, all costs, losses and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the ICAV and have priority as between the Holders over all other claims except such (if any) as they shall incur or sustain through their own negligence, default, breach of duty or breach of trust, or any as a result of a breach of their duty under section 79(1)(a), (c), (d), (e), (f) or (g) of the Act.

101.2 Subject to section 84 of the Act, no Director or other officer of the ICAV shall be liable for the acts, receipts, neglects or defaults of any other Director or officer or for joining in any receipt or other act for conformity or for any loss or expense happening to the ICAV through the insufficiency or deficiency of title to any property acquired for or on behalf of the ICAV or for the insufficiency or deficiency of any security in or upon which any of the monies of the ICAV shall be invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any monies, securities or effects shall be deposited or any other loss, damage or misfortune whatever which shall happen in the execution of the duties of his office or in relation thereto.

101.3 Subject to section 85 of the Act, where a Director acts in breach of his or her duty under section 79(1)(a), (c), (d), (e), (f) or (g) of the Act, he or she shall be liable to do either or both (as corresponding common law rule or equitable principle relating to bodies corporate with respect to the matter would have required) of the following things:

- (a) account to the ICAV for any gain which he or she makes directly or indirectly from the breach of duty; or
- (b) indemnify the ICAV for any loss or damage resulting from that breach.

102. OVERRIDING PROVISIONS

In the event of there being any conflict between the provisions of this Instrument and the Act or the Regulations, the Act or Regulations shall prevail. The prior approval of the Central Bank shall be required to any amendment to this Instrument.

103. APPROVAL FOR CHANGE OF NAME

If the ICAV proposes to change the name by which it is incorporated, it shall not do so unless the change is approved by the Central Bank as being neither undesirable nor misleading.

104. MODIFICATIONS TO THE INSTRUMENT

104.1 No modification shall be made to the Instrument of the ICAV which would result in the ICAV ceasing to be authorised under the Regulations.

104.2 The Directors shall, subject to the prior approval of the Central Bank, be entitled to modify, alter or add to the provisions of this Instrument in such manner and to such extent as they may consider necessary or expedient for any purpose other than one which would result in the ICAV ceasing to comply with the terms of the Regulations; provided that,

- (a) the Depositary has certified in writing that in its opinion such modification, alteration or addition does not prejudice the interests of the Holders and does not relate to any such matter as may be specified by the Central Bank as one in the case of which an alteration may be made only if approved by the Holders; or
- (b) such modification, alteration or addition has been approved by ordinary resolution of the Holders.

104.3 Within 21 calendar days after the date of the making of such modification, alteration or addition in the Instrument, the ICAV shall deposit with the Central Bank a copy of the Instrument so altered or containing the alterations.

104.4 In this section, the terms "modification, alteration or addition" do not include a change in the name of the ICAV the requirements for which are set out in Section 103 of this Instrument.

105. SEGREGATION OF LIABILITY

105.1 Notwithstanding any statutory provision or rule of law to the contrary any liability incurred on behalf of or attributable to any Fund shall be discharged solely out of the Assets of that Fund, and no Director, receiver, examiner, liquidator, provisional liquidator or other person shall apply nor be obliged to apply the Assets of any such Fund in satisfaction of any liability incurred on behalf of or attributable to any other Fund.

105.2 The Assets allocated to a Fund shall belong exclusively to that Fund and shall be applied solely in respect of the shares of such Fund. No Holder relating to such Fund shall have any claim or right to any Asset allocated to any other Fund.

105.3 Any Asset or sum recovered by the ICAV by any means whatsoever or wheresoever shall, after the deduction or payment of any costs of recovery, be applied to the Fund affected. In the event that Assets attributable to a Fund are taken in execution of a liability not attributable to that Fund, and in so far as such Assets or compensation in respect hereof cannot otherwise be restored to that Fund, the Directors, with the consent of the Depositary, shall certify or cause to be certified, the value of the Assets lost to the Fund affected and transfer or pay from the Assets of the Fund or Funds to which the liability was attributable, in priority to all other claims against such Fund or Funds, Assets or sums sufficient to restore to the Fund affected, the value of the Assets or sums lost to it.

105.4 The ICAV may sue and be sued in respect of a particular Fund and may exercise the same rights of set-off, if any, as between its Funds as apply at law in respect of companies and the property of a Fund is subject to orders of the Irish courts as it would have been if the Fund were a separate legal person.

105.5 In any proceedings brought by any Holder of a particular Fund, any liability of the ICAV to such Holder in respect of such proceeding can only be settled out of the Assets of the Fund corresponding to such shares without recourse in respect of such liability or any allocation of such liability to any other Fund of the ICAV.

106. COMMON INVESTMENT POOLS

106.1 While each Fund will have separate investment objectives and policies, the investment policies of certain Funds may share common features, such as investing in a particular market or markets. Where this is the case, the Directors may, in their discretion, pool all or a specified portion of the Assets of such Funds for the purpose of achieving those common investment policies. The Directors may also, with the prior approval of the Central Bank, comingle the Assets of certain Funds with the assets of other Irish regulated collective investment schemes (each a "Common Investment Pool"). A Common Investment Pool is not a separate legal entity from the ICAV or any of the Funds; rather it is a virtual pool designed to facilitate in an efficient manner the achievement of certain specified investment policies common to two or more Funds. Where the ICAV participates in Common Investment Pools the Depositary shall at all times ensure that it is in a position to identify the Assets of the participating funds (either Funds or other Irish regulated collective investment schemes) even though the Depositary's records may identify the Assets as being held in a Common Investment Pool. For this purpose, the Directors may allow for the participation of Funds in Common Investment Pools to which all or part of the Assets of any Fund may be allocated.

106.2 The purpose of a Common Investment Pool is to achieve economies of scale in the management and administration of the Assets being pooled. The use of Common Investment Pools enables the investment manager to aggregate Assets and increase scalability. The relevant Common Investment Pool will hold Investments in accordance with the investment policies common to the Funds participating in it. Each Fund (on a separate and divided basis) will be entitled to the underlying assets and liabilities, which may be allocated to it arising out of Investments made through the conduit of a Common Investment Pool.

106.3 The ICAV shall participate in Common Investment Pools established in such currencies as the Directors may determine, into which all or any part of the Assets of any Fund or Funds may be applied, subject to the terms and conditions set out hereunder:

- (i) (the Directors (or their delegate) shall from time to time, determine the proportion of the Assets of a relevant Fund which may be applied to any particular Common Investment Pool (the "Allocation Ratios");
- (ii) all subscriptions to and redemptions from a Fund shall be allocated by the Administrator to the relevant Common Investment Pool in accordance with the Allocation Ratio for the relevant Fund;
- (iii) the Administrator shall calculate on each Business Day the proportion of the assets of the relevant Common Investment Pool owned by the relevant Fund (the "Ownership Ratio");
- (iv) all investments, trading activity and/or assets or liabilities in the Common Investment Pools shall be allocated to the relevant Funds on each Business Day in accordance with the Ownership Ratios;
- (v) the Directors (or their delegate) may, from time to time in their absolute discretion, change the Allocation Ratio for any Fund;
- (vi) the Directors (or their delegate) shall have the exclusive right to administer the creation of Common Investment Pools, the determination of Allocation Ratios and the transfer of monies and investments between Common Investment Pools and/or the relevant Funds;
- (vii) the Directors may commingle the Assets of the relevant Funds in Common Investment Pools containing the assets of third parties and/or the assets of other collective investment schemes, with the prior approval of the Central Bank;
- (viii) on the dissolution of the ICAV the assets in a Common Investment Pool will (subject to the claims of creditors) be allocated to the participating Funds in accordance with the Ownership Ratio to their respective participation in the Common Investment Pool;
- (ix) each Fund participating in a Common Investment Pool shall at all times have the ability to withdraw its interest from the relevant Common Investment Pool.

106.4 The net asset value of a Common Investment Pool shall be determined, subject to this Instrument and in accordance with the valuation rules as apply to participating shares as set out herein as at the Valuation Point of the Fund.

1. TERMS AND CONDITIONS OF ISSUE OF SHARES

- (a) Prior to the issue of any Class of shares the Directors shall determine the rights and restrictions attaching thereto including the Fund to which they relate, the designated currency of the shares and the fees and expenses to be borne by the Class of shares (which shall be disclosed in the Prospectus). The Directors may in relation to a Fund create more than one Class of shares to participate in the Fund in accordance with the requirements of the Central Bank. Where a Class of shares is denominated in a currency other than the base currency of the relevant Fund the Directors shall at the time of creation of such Class determine if such Class of shares shall be constituted as a Hedged Currency Share Class or an Unhedged Currency Share Class. Notwithstanding anything contained in this Instrument, the costs and gains/losses of any hedging transactions relating to a Hedged Currency Share Class shall accrue solely to the Holders of shares in such Class and shall not form part of the Assets of the relevant Fund or constitute a liability of the relevant Fund. Any currency hedging transaction relating to a Hedged Currency Share Class shall be valued in accordance with the provisions of Section 28 of Appendix III and shall be clearly attributable to the specific Hedged Currency Share Class. None of the Hedged Currency Share Classes shall be leveraged as a result of such currency hedging transactions.
- (b) The initial Funds in relation to which shares shall be issued and designated are set out below. The name of each Fund, including the names set out below, may be amended by the Directors and any such change of name shall not require the approval of the Holders in the relevant Fund and will be in accordance with the requirements of the Central Bank:

Shares in relation to other Funds may be issued and designated from time to time with the prior approval of the Central Bank;

- (b) such information and declarations as the Directors may from time to time require; and
- (c) subsequent subscriptions may be made by telephone in accordance with the procedure set out in the Prospectus.
- 1.3 Payment for shares shall be made by the Settlement Date in such currency and at such time, place and manner and to such person, on behalf of the ICAV, as the Directors may from time to time determine.
- 1.4 The ICAV may (at the option of the Directors) satisfy any application for the allotment of shares by procuring the transfer to the applicant of fully-paid shares, the effective date of such transfer to be the relevant Dealing Day. In any such case, references in this Instrument to allotting shares shall, where appropriate, be taken as references to procuring the transfer of shares.
- 1.5 The allotment of shares may take place notwithstanding that the information or declarations referred to in sub-paragraph 1.2 above have not been received by the ICAV or its authorised agent

provided that the application referred to in sub-paragraph 1.2(a) above has been received and provided further that if the said information or declarations have not been received within one Month (or such other period as the Directors may determine) after the Dealing Day on which such shares are allotted, the Directors shall be entitled to cancel the allotment and if so cancelled the relevant application monies (if any) shall be returnable to the applicant at his risk (together with such additional amount, if any, or after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the ICAV for its own benefit) and until returned may be made use of by the ICAV for its own benefit.

- 1.6 If payment in full for any shares is not received by the relevant Settlement Date, or in the event of non-clearance of funds, the Directors shall be entitled to cancel any allotment made and either return the relevant monies to the applicant at his risk or to treat the relevant monies as payment in respect of an application for shares made by the Dealing Deadline for the Dealing Day next following receipt of such monies or of cleared funds. In such cases the ICAV may charge the applicant for any resulting bank charges or market losses incurred by the ICAV.
- 1.7 Applications within the meaning of sub-paragraph 1.2(a) above that are received by or on behalf of the ICAV on or prior to the Dealing Deadline for a Dealing Day shall be dealt with on that Dealing Day. Such applications as are received after the Dealing Deadline for a Dealing Day shall, unless the Directors shall otherwise agree and provided they are received before the Valuation Point for the relevant Dealing Day, be deemed to have been received by the next Dealing Deadline. If requested, the Directors may, in their absolute discretion and subject to the prior approval of the Depositary, agree to designate additional Dealing Days and Valuation Points for the purchase of shares relating to any Fund which will be open to all Holders.
- 1.8 The Directors may, in their sole and absolute discretion, determine that in certain circumstances, it is detrimental for existing Holders to accept an application for shares in cash or in specie, representing more than 5% of the Net Asset Value of a Fund. In such case, the Directors may postpone the application and, in consultation with the relevant investor, either require such investor to stagger the proposed application over an agreed period of time, or establish an account outside the structure of the ICAV in which to invest the investor's subscription monies. Such account will be used to acquire the shares over a pre-agreed time schedule. The investor shall be liable for any transaction costs or reasonable expenses incurred in connection with the acquisition of such shares. Any applicable Preliminary Charge will be deducted from the subscription monies before the investment of the subscription monies commences.
- 1.9 Applications for the issue of shares will be irrevocable unless the Directors, or a delegate, otherwise agree.

2. SUBSCRIPTION PRICE

- 2.1 During the Initial Offer Period in relation to a Fund the Subscription Price per share of the relevant Class shall be the price as determined by the Directors. After the Initial Offer Period, the Subscription Price shall be the Net Asset Value per share of the relevant Class.
- 2.2 Where shares are issued at the Net Asset Value per share, the Subscription Price per share of the relevant Class shall be ascertained by:
 - (a) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant Class of shares as at the Valuation Point for the relevant Dealing Day and deducting thereto such sum (if any) as the Directors may consider represents the appropriate provision for the Duties and Charges which would have been incurred on the assumption that all the Investments held by the ICAV as at that Valuation Point had been sold at that Valuation Point at prices equal to their respective values as at that Valuation Point;
 - (b) where the Class of shares is a Hedged Currency Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with 2.2(a) above the costs and gains/losses of any currency hedging transactions effected in respect of that Class;

- (c) dividing the sum calculated in accordance with paragraph 2.2(a) above by the number of shares of the relevant Class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
- (d) rounding the resulting amount so determined to a maximum of four decimal places of the unit of the currency in which such share is designated (unit for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

2.3 For the purposes of this Section 2, shares which have been allotted shall be deemed to be in issue from the close of business on the Dealing Day on which they are allotted and shares which have been repurchased shall be deemed to cease to be in issue at the close of business on the Dealing Day of such repurchase.

2.4 In calculating the Subscription Price, the Directors may on any Dealing Day when net subscriptions exceed a certain percentage (usually 1%) of the Net Asset Value adjust the Subscription Price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying Assets of a Fund.

3. ALLOTMENT OF SHARES FOR NON CASH CONSIDERATION

The Directors may, subject to the provisions of the Act, in their absolute discretion allot shares against the vesting in the Depositary on behalf of the ICAV of any Investments and in connection therewith the following provisions shall apply:

- (a) the nature of the Investments to be transferred into the relevant Fund would qualify as suitable Investments of such Fund in accordance with the investment objective, policies and restrictions of that Fund;
- (b) the number of shares to be allotted shall be not more than that number which would have fallen to be issued for cash on the basis that the amount of such cash was an amount equal to the value as at the relevant Valuation Point for the relevant Dealing Day of the Investments to be vested in the Depositary on behalf of the ICAV, as determined in accordance with paragraph 4.3 below;
- (c) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the Investments in the Depositary on behalf of the ICAV shall be paid by the ICAV or by the person to whom the shares are to be issued or partly by the ICAV and partly by such person;
- (d) the value of the Investments to be vested in the Depositary on behalf of the ICAV shall be determined by the Directors on such basis as they shall decide so long as such value does not exceed the highest amount which would be obtained if the Investments were valued in accordance with Appendix III hereof;
- (e) in the case of the initial issue of shares of any Class, the Depositary shall determine the number of shares of the relevant Class to be allotted against the vesting in the Depositary on behalf of the ICAV of any Investments; and
- (f) in exercising their discretion under this Section, the Directors shall consider whether the terms of any such allotment are such as would result in any material prejudice to existing Holders provided that the Depositary is satisfied that the terms of such allotment will not be such as are likely to result in material prejudice to Holders.

4. PRELIMINARY CHARGE

The Directors may require any person to whom shares of any Class are to be allotted to pay to the ICAV or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a preliminary charge of such amount as may be determined by the Directors but not exceeding 5 per cent of the Subscription Price per share of the relevant Class being allotted. The

Directors may on any Dealing Day differentiate between applicants as to the amount of the preliminary charge required to be paid to the ICAV, or its appointees or as they may direct and as to the amount of preliminary charge to be levied on each Class of share (subject to the maximum aforesaid).

5. NO SHARES ALLOTTED WHEN CALCULATION OF NET ASSET VALUE SUSPENDED

The Directors may in their absolute discretion determine that no shares shall be allotted or issued during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to Section 18 below except those for which applications have previously been received and accepted by the ICAV or its authorised agent. The Directors will notify investors applying for shares of such suspension at the time of application. Any application for shares which is not withdrawn shall, subject to the provisions of this Instrument, be dealt with on the first Dealing Day after the suspension is lifted.

6. ISSUE OF FRACTIONS OF SHARES

Where payments or other consideration received by or on behalf of the ICAV in respect of the issue or allotment of shares are not an exact multiple of the Subscription Price for those shares, a fraction of a share may be allotted to the investor who shall be registered as the Holder of such a fraction provided that any holding of shares is a multiple of not less than 1/10,000 part of a share or such other fractional amount as the Directors may determine from time to time. Rights, entitlements and benefits of a Holder of a share under this Instrument are granted to a Holder of a fraction of a share in proportion to the fraction of a share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in this Instrument to share shall include a fraction of a share. Notwithstanding anything contained in this Instrument, the Holder of a fraction of a share may not exercise any voting rights in respect of such share.

7. MINIMUM INITIAL INVESTMENT AMOUNT

The Directors shall decline to issue shares of any Class to satisfy any initial application unless the amount in value of the shares to which an application relates equals or exceeds the Minimum Initial Investment Amount or its equivalent in another currency. Thereafter, Holders may make additional subscriptions for shares having a value, at the then current Subscription Price of not less than the Minimum Additional Investment Amount or its equivalent in another currency.

8. DEFERRAL OF SUBSCRIPTIONS

The Directors may, in their sole and absolute discretion, determine that in certain circumstances, it is detrimental for existing Holders to accept an application for shares in cash or in specie, representing more than 5% of the Net Asset Value of a Fund. In such case, the Directors may postpone the application and, in consultation with the relevant investor, either require such investor to stagger the proposed application over an agreed period of time, or establish an investment account outside the structure of the ICAV in which to invest the investor's subscription monies. Such investment account will be used to acquire the shares over a pre-agreed time schedule. The investor shall be liable for any transaction costs or reasonable expenses incurred in connection with the acquisition of such shares. Any applicable Preliminary Charge will be deducted from the subscription monies before the investment of the subscription monies commences.

9. FUNDS

9.1 All consideration, other than the preliminary charge (if any) payable to the ICAV or its appointees or as any of them may determine pursuant to Section 5 of this Appendix, received by or on behalf of the ICAV for the allotment or issue of shares of a Fund, or if there is more than one Class of shares in a particular Fund, of all such Classes, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate from all other monies of the ICAV and such assets and monies shall be referred to as a Fund there being one Fund in respect of each Class (or all such Classes, as the case may be) of shares and to which the following provisions shall apply:

- (a) For each Fund the ICAV shall keep separate books and records in which all transactions relating to the relevant Fund shall be recorded and, in particular, the proceeds from the allotment and issue of shares of each Class of the Fund, and the Investments and the liabilities and income and expenditure attributable thereto shall be applied to such Fund subject to the provisions of this Section 9;
- (b) Any Asset derived from any other Asset(s) (whether cash or otherwise) comprised in any Fund, shall be applied in the books and records of the ICAV to the same Fund as the Asset from which it was derived and any increase or diminution in the value of such an Asset shall be applied to the relevant Fund;
- (c) In the event that there are any Assets of the ICAV which the Directors do not consider are attributable to a particular Fund or Funds, the Directors shall, with the approval of the Depositary, allocate such Assets to and among any one or more of the Funds in such manner and on such basis as they, in their discretion, deem fair and equitable; and the Directors shall have the power to and may at any time and from time to time, with the approval of the Depositary, vary the basis in relation to Assets previously allocated;
- (d) No shares will be issued on terms that entitle the Holders of any Fund to participate in the Assets of the ICAV other than the Assets (if any) of the Fund relating to such shares. If the proceeds of the Assets of the relevant Fund are not sufficient to fund the full repurchase proceeds payable to each Holder for the relevant Fund, the proceeds of the relevant Fund will, subject to the terms for the relevant Fund, be distributed equally among each Holder of the relevant Fund pro rata to the amount paid up on the shares held by each Holder. If the realised net assets of any Fund are insufficient to pay any amounts due on the relevant shares in full in accordance with the terms of the relevant Fund, the relevant Holders of that Fund will have no further right of payment in respect of such shares or any claim against the ICAV, any other Fund or any Assets of the ICAV in respect of any shortfall;
- (e) Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the ICAV in respect of or attributable to that Fund; and
- (f) In the event that any Asset attributable to a Fund is taken in execution of a liability not attributable to that Fund, the provisions of section 27 of the Act shall apply.

9.2 Subject as otherwise provided herein, the Assets held in each Fund shall be applied solely in respect of the shares of the Class (or Classes as the case may be) to which such Fund appertains.

10. FUND EXCHANGES

10.1 Subject to the provisions of the Act, the Regulations and to this Instrument and as hereinafter provided a Holder holding shares in any Class in a Fund (the first class) on any Dealing Day shall have the right from time to time to exchange all or any of such shares for shares of another Class which are being offered at that time (the new class) (such class being either in the same Fund or in a separate Fund) on the following terms:

- (a) The Holder shall give to the ICAV or its authorised agent(s) instructions (hereinafter called an Exchange Notice) in such form as the Directors may from time to time determine.
- (b) The exchange of the shares specified in the Exchange Notice pursuant to this Section 10 shall occur on a Dealing Day for the first class and the new class in respect of Exchange Notices received on or prior to the relevant Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular Fund or in any specific case) by the ICAV or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the Holder may agree. The ICAV or its authorised agents may in their discretion accept Exchange Notices received after the Dealing Deadline for the relevant Dealing Day provided the Exchange Notices are

received prior to the relevant Valuation Point. A Holder's entitlement to shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.

10.2 Exchange of the shares of the first class specified in the Exchange Notice shall be effected in the following manner, that is to say:

- (a) such shares of the first class shall be repurchased by the issue of shares of the new class;
- (b) the shares of the new class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the shares of the first class which is being exchanged; and
- (c) the proportion in which shares of the new class are to be issued in respect of shares of the first class shall be determined in accordance with paragraph 10.3 below;

Provided always that the right of a Holder to exchange his shares in the first class for shares in the new class conferred by this Section 10 shall be conditional upon the ICAV having sufficient available share capital to enable the exchange to be implemented as aforesaid.

10.3 The Directors shall determine the number of shares of the new class to be issued on exchange in accordance with the following formula:

$$S = \frac{[R \times (RP \times ER)] - F}{SP}$$

where:

R is the number of shares of the first class specified in the Exchange Notice which the Holder thereof has requested to be exchanged;

S is the number of shares of the new class to be issued;

RP is the Repurchase Price per share of the first class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected;

ER in the case of an exchange of shares designated in the same currency, the value of ER is 1. In any other case, the value of ER is the currency conversion factor determined by the Directors at the Valuation Point for the relevant Dealing Day as representing the effective rate of exchange applicable to the transfer of Assets relating to the first and new classes of shares after adjusting such rate as may be necessary to reflect the effective costs of making such transfer;

SP is the Subscription Price per share for the new class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected; and

F is the fee payable (if any) on the exchange of shares (as set out in paragraph 10.4 below).

and the number of shares of the new class to be created or issued pursuant to this Section 10 shall be so created or issued in respect of each of the shares of the first class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

10.4 On any exchange of shares pursuant to this Section 10, the Directors may add to the Subscription Price per share for the shares of the new class to be issued a fee, for payment to the ICAV or any of its appointees or as any of them may direct out of the Fund relating to the shares of such class, an amount for each share not exceeding 4 per cent of the Repurchase Price per share of shares in the first class to be issued calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is effected.

- 10.5 Requests for the exchange of shares as an initial investment in a new class will only be made if the value of the shares to be exchanged is equal to or exceeds the Minimum Initial Investment Amount for the new class. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Holder's holding in the first class to fall below the Minimum Shareholding specified for that Class.
- 10.6 Shares in a Class may not be exchanged for shares in another Class during any period when the calculation of the Net Asset Value of the relevant Fund or either of the relevant Funds as the case may be is suspended by reason of a declaration by the Directors pursuant to Section 18 hereof. Applicants will be notified of such suspension at the time of application and any request for the exchange of shares not withdrawn shall, subject to the provisions of this Instrument, be dealt with on the first Dealing Day after such suspension is lifted.

11. TERMINATION OF FUNDS

- 11.1 Any Fund may be terminated by the Directors, in their sole and absolute discretion, by notice in writing to the Depositary in any of the following events:
- (a) if at any time the Net Asset Value of the relevant Fund shall be less than such amount as may be determined by the Directors in respect of that Fund;
 - (b) if any Fund shall cease to be authorised or otherwise officially approved;
 - (c) if any law shall be passed which renders it illegal or in the opinion of the Directors impracticable or inadvisable to continue the relevant Fund;
 - (d) if there is a change in material aspects of the business, in the economic or political situation relating to a Fund which the Directors consider would have material adverse consequences on the Investments of the Fund; or
 - (e) if the Directors shall have resolved that it is impracticable or inadvisable for a Fund to continue to operate having regard to prevailing market conditions and the best interests of the Holders.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this Section 11 or otherwise.

- 11.2 The Directors shall give notice of termination of a Fund to the Holders of shares in the relevant Fund and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine.
- 11.3 With effect on and from the date as at which any Fund is to terminate or in the case of 11.3(a) below such other date as the Directors may determine:
- (a) No shares of the relevant Fund may be issued or sold by the ICAV;
 - (b) The investment manager shall, on the instructions of the Directors, realise all the Assets then comprised in the relevant Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund as the Directors think advisable);
 - (c) The Depositary shall, on the instructions of the Directors from time to time, distribute to the Holders of shares of the relevant Fund in proportion to their respective interests in the relevant Fund all net cash proceeds derived from the realisation of the relevant Fund and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay Euro 1 or its equivalent amount in the relevant currency in respect of each share of the relevant Fund and

provided also that the Depositary shall be entitled to retain out of any monies in its hands as part of the relevant Fund full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands; and

- (d) Every such distribution referred to above shall be made in such manner as the Directors shall, in their sole and absolute discretion, determine but shall be made only against production of the certificates or warrants relating to the shares of the relevant Fund if issued in respect of which the same is made and upon delivery to the Depositary of such form of request for payment as the Depositary shall in its absolute discretion require. All certificates shall in the case of an interim distribution be encased by the Depositary with a memorandum of payments made and in the case of the final distribution shall be surrendered to the Depositary. Any unclaimed proceeds or other cash held by the Depositary hereunder may at the expiration of twelve months from the date upon which the same were payable be paid into court subject to the right of the Depositary to deduct therefrom any expenses it may incur in making such payment.

11.4 The Directors shall have the power to propose and implement a reconstruction and/or amalgamation of the ICAV or any Fund or Funds on such terms and conditions as are approved by the Directors subject to the following conditions namely:

- (a) that the prior approval of the Central Bank has been obtained; and
- (b) that the Holders of shares in the relevant Fund or Funds have been circulated with particulars of the scheme of reconstruction and/or amalgamation in a form approved by the Directors and a special resolution of the Holders of shares in the relevant Fund or Funds has been passed approving the said scheme.

The relevant scheme of reconstruction and/or amalgamation shall take effect upon such conditions being satisfied or upon such later date as the scheme may provide or as the Directors may determine whereupon the terms of such scheme shall be binding upon all the Holders and the Directors shall have the power to and shall do all such acts and things as may be necessary for the implementation thereof.

RIGHT OF REPURCHASE

12. HOLDERS' RIGHT TO REQUEST A REPURCHASE OF SHARES

As the ICAV is an open-ended investment company, Holders shall have the right to request the ICAV to repurchase their shares in accordance with the provisions of Section 13 below.

13. REPURCHASE MECHANISM

13.1 Subject to the provisions of the Act, the Regulations and this Instrument and subject as hereinafter provided the ICAV shall, on receipt by it or its authorised agent(s) of a request (which request may, at the Directors' discretion, either generally or in relation to any specific request, be made in writing, by facsimile, by telex or by telephone (in accordance with the procedure set out in the Prospectus) or in such other form as the Directors may, from time to time determine) by a Holder of shares (the Applicant), repurchase all or any portion of the shares held by the Applicant at the Repurchase Price, determined in accordance with Section 13 hereof, or procure the purchase thereof at not less than the Repurchase Price on the relevant Dealing Day. Such request to repurchase must be accompanied by the duly endorsed certificate or certificates (if any) issued for the shares to which it relates.

PROVIDED THAT:

- (a) The repurchase of shares pursuant to this Section 13 shall be made on a Dealing Day in respect of requests (equal or greater to the Minimum Repurchase Amount subject to the

discretion of the Directors to allow lesser amounts) received by the ICAV or its authorised agent on or prior to the Dealing Deadline for that Dealing Day.

- (b) Any such request received after the Dealing Deadline for a Dealing Day shall, unless the Directors shall otherwise agree and provided they are received before the relevant Valuation Point, be treated as having been received by the following Dealing Deadline.
 - (c) If the determination of the Net Asset Value of the relevant Fund is suspended on any Dealing Day by reason of a declaration by the Directors pursuant to Section 18 hereof, an Applicant may withdraw his request to have his shares repurchased pursuant to this Section 133. If the request is not so withdrawn the ICAV shall be at liberty to repurchase the shares on the Dealing Day next following the end of the suspension.
 - (d) Subject as aforesaid and to the discretion of the Directors, an Applicant shall not be entitled to withdraw a request duly made in accordance with this Section 13.
 - (e) The ICAV may retain a sufficient portion of the amount payable to the Applicant in respect of the repurchase to pay any taxation payable to the Revenue Commissioners in Ireland in respect of the repurchase of the shares.
 - (f) Any amount payable to the Applicant in connection with the repurchase of shares shall, at the risk and cost of the Applicant, be paid in the same currency as that in which the shares are designated or in such other currency as the Directors shall determine. Any such amount may, at the option of the Directors, (but at the risk and cost of the Applicant) be remitted by or on behalf of the ICAV by electronic transfer to the bank account specified by the Applicant not later than the relevant Settlement Date. In all other instances any such amount shall be sent by post in the form of a negotiable instrument at the Applicant's risk by or on behalf of the ICAV to the Applicant not later than the relevant Settlement Date. If the amount to be paid by the ICAV as aforesaid shall not be expressed in the currency in which the shares which the ICAV has repurchased were designated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons.
 - (g) Subject to written instructions from the Applicant to the ICAV (or its authorised agent) directing otherwise, which the ICAV (or its authorised agent) may require to be verified or otherwise supported by additional documentation, the ICAV (or its authorised agent) shall pay the proceeds of repurchase to the Applicant.
 - (h) If requested, the Directors may, in their absolute discretion and subject to the prior approval of the Depositary, agree to designate additional Dealing Days and Valuation Points for the repurchase of shares relating to any Fund which will be open to all Holders.
- 13.2 The repurchase of shares under the provisions of this Section 13 shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day. Shares repurchased in accordance with the provisions of this Section 13 shall be deemed to cease to be in issue at the close of business on the Dealing Day on which they are repurchased.
- 13.3 Upon the repurchase of a share being effected, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such repurchase being effected) and accordingly his name shall be removed from the Register with respect thereto and the shares shall be treated as cancelled and the amount of issued share capital in respect of such Class of shares shall be reduced accordingly.
- 13.4 Where the ICAV has redeemed any Debentures then:

- (a) unless any provision to the contrary, whether express or implied, is contained in the Instrument or in any contract entered into by the ICAV, or
- (b) unless the ICAV has, by passing a resolution to that effect or by passing a resolution to that effect or by some other act, shown its intention that Debentures shall be cancelled,

the ICAV shall have the power to re-issue the Debentures by re-issuing the same Debentures or by issuing other Debentures in their place.

14. REPURCHASE PRICE OF SHARES

14.1 The Repurchase Price per share of the relevant Class shall be an amount as determined by the Directors on the relevant Dealing Day referred to in Section 13.1(a) above by:

- (a) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant Class of shares as at the Valuation Point for the relevant Dealing Day and deducting thereto such sum (if any) as the Directors may consider represents the appropriate provision for the Duties and Charges which would have been incurred on the assumption that all the Investments held by the ICAV as at that Valuation Point had been sold at that Valuation Point at prices equal to their respective values as at that Valuation Point;
- (b) where the Class of share is a Hedged Currency Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with 14.1(a) above the costs and gains/losses of any currency hedging transactions effected in respect of that Class;
- (c) dividing the sum calculated in accordance with paragraph 14.1(a) above by the number of shares of the relevant Class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
- (d) rounding the amount so determined to a maximum of four decimal places of the unit of the currency of the shares (unit for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

14.2 The Directors may on any Dealing Day require an Applicant to pay to the ICAV or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a repurchase charge of not more than 3 per cent of the Repurchase Price per share of the relevant Class being repurchased on that Dealing Day. The amount of any such charge may be deducted from the amount to be paid by the ICAV to the Applicant in respect of the shares to be repurchased. The Directors may on any Dealing Day differentiate between Applicants as to the amount of the repurchase charge required to be paid to the ICAV, or its appointees or as they may direct and as to the amount of repurchase charge to be levied on each Class of share (subject to the maximum aforesaid).

14.3 Such portion of the Repurchase Price of any shares repurchased on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net revenue accrued to the relevant Fund up to such Dealing Day attributable to the shares in respect of which such Repurchase Price is payable.

14.4 Where any tax is payable to the Irish tax authorities in respect of a repurchase of shares by a Holder who is or is deemed to be a Taxable Irish Person or is acting on behalf of such a person, the Repurchase Price shall be reduced by an amount equal to such tax which shall be paid by or on behalf of the ICAV to the authorities.

14.5 In calculating the Repurchase Price, the Directors may on any Dealing Day when net repurchases exceed a certain percentage (usually 1%) of the Net Asset Value adjust the Repurchase Price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying Assets of a Fund.

15. LIMITATIONS ON REPURCHASE

15.1 In circumstances where repurchase requests on any Dealing Day are for more than ten per cent of the Net Asset Value of shares of any Fund in issue at the Valuation Point for that Dealing Day, the ICAV shall be at liberty to scale down the number of shares to be repurchased in response to each request pro rata to such extent as may be necessary to ensure that the foregoing limit is not exceeded and may carry forward for repurchase to the next following Dealing Day the balance of each request and so on to each succeeding Dealing Day until each request has been dealt with in full, **PROVIDED THAT** requests for repurchase that have been carried forward from an earlier Dealing Day shall (subject always to the foregoing limits) dealt with on a pro rata basis to other requests for repurchase received on the relevant Dealing Day.

15.2

(a) If in respect of any Applicant the repurchase monies in respect of shares held by him of any Fund to be repurchased on any Dealing Day amount to more than five per cent of the Net Asset Value of such Fund at the Valuation Point for such Dealing Day, the ICAV shall have the power to divide in specie the whole or any part of the Assets of the relevant Fund and shall have the right to elect by notice in writing to the Applicant (such notice to be sent by the ICAV to the Applicant within three Business Days of the relevant Dealing Day and in any event before the relevant Settlement Date) to appropriate and transfer Assets to him in full or part satisfaction of the Repurchase Price or any part of the said Repurchase Price (provided that such a distribution would not be prejudicial to the interests of the remaining Holders in such Fund).

(b) Where a notice of election is served under sub-paragraph 15.2(a) of this Section 15 on an Applicant, the Applicant may by a further notice served on the ICAV (such notice to be received by the ICAV within three Business Days of the deemed receipt by the Applicant of the notice of election served under sub-paragraph 15.2(a) of this Section 15 require the ICAV instead of transferring the Assets in question to arrange:

- (i) for a sale of the Assets; and
- (ii) (for payment to the Applicant of the net proceeds of sale.

(c) Where there is a transfer of Assets pursuant to paragraph 15.2(a) above, the Depositary shall transfer to the Applicant his proportionate share of the Assets of the relevant Fund. For the purposes of this paragraph proportionate share means such part of each type of Asset in the relevant Fund as is proportionate to or as nearly as practicable proportionate to the Applicant's share or such selection from the Assets of the relevant Fund as the Directors shall, following consultation with the Depositary, decide is reasonable having regard to the need to be fair both to the Applicant and continuing Holders of shares in the relevant Fund.

(d) Where there is to be a sale of Assets under sub-paragraph 15.2(b) above:

- (i) the ICAV shall forthwith notify the Depositary of that fact and shall arrange for the sale of the Assets that would have been transferred under sub-paragraph 15.2(a) above (other than Assets which are in cash in the relevant currency for the purposes of the repurchase); and
- (ii) the Depositary shall on receipt of such evidence of title as it may require pay to the Applicant the net proceeds of the sale and any relevant amounts in cash.

15.3 If any request to the ICAV to repurchase shares of any Class shall reduce the number of shares of the relevant Class held by the Applicant below the Minimum Shareholding such request may be treated by the Directors as a request to repurchase the Applicant's entire holding. The foregoing shall not prevent a repurchase of the whole of a holding of shares of any Class less than the Minimum Shareholding nor shall this paragraph apply in circumstances where as a result of the

ICAV exercising its rights to scale down any repurchase requests, in accordance with paragraph (1) above, a Holder's holding of shares is reduced below the Minimum Shareholding.

- 15.4 If any repurchase requests received by the Directors would necessitate, in the opinion of the Directors, the breaking of deposits at a penalty or the realisation of Investments at a discount below their value, as calculated in accordance with Appendix III, the Repurchase Price in respect of the relevant shares may be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors may consider fair and equitable and which is approved by the Depositary. Alternatively, the Directors may arrange for the ICAV to borrow funds in accordance with Section 61 subject always to any borrowing restrictions in force in relation to the ICAV or the relevant Fund, and the costs of such borrowings may be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
- 15.5 The ICAV will not be permitted to repurchase shares if, after payment of any amount in connection with such repurchase, the Net Asset Value of the issued share capital of the ICAV would be equal to or less than Euro 300,000 or the foreign currency equivalent thereof. The foregoing shall not apply to a repurchase request permitted by the Directors in contemplation of the dissolution of the ICAV in accordance with the Act.
- 15.6 The ICAV may compulsorily repurchase all of the shares of any Fund if the Net Asset Value of the relevant Fund is less than the Minimum Fund size.

16. NO SHARES REPURCHASED WHEN CALCULATION OF NET ASSET VALUE SUSPENDED.

The Directors may, in their absolute discretion, determine that no shares will be repurchased and no repurchase proceeds paid during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to Section 18 below. Holders applying for a repurchase of their shares will be notified of such suspension at the time of application. Any application which is not withdrawn shall, subject to the provisions of this Instrument, be dealt with on the first Dealing Day for the relevant Fund after such suspension is lifted and shall be dealt with in priority to subsequently received repurchase requests.

DETERMINATION OF NET ASSET VALUE

17. DETERMINATION OF NET ASSET VALUE

The Net Asset Value of a Fund shall be determined in accordance with Appendix III.

18. SUSPENSION OF DETERMINATION OF NET ASSET VALUE/POSTPONEMENT OF A DEALING DAY

- 18.1 The Directors may at any time declare a temporary suspension of the determination of the Net Asset Value of a Fund and the issue, repurchase and exchange of shares and the payment of repurchase proceeds during:
- (a) any period when any of the Markets on which a substantial portion of the Investments of the relevant Fund are quoted, listed or dealt in is closed, otherwise than for ordinary holidays, or during which dealings therein are restricted or suspended; or
 - (b) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial portion of the Investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of shareholders of the relevant Fund or if, in the opinion of the Directors, the Net Asset Value of the Fund, cannot be fairly calculated; or
 - (c) any breakdown in the means of communication normally employed in determining the price of a substantial portion of the Investments of the relevant Fund, or when, for any other reason the current prices on any Market of any of the Investments of the relevant Fund cannot be promptly and accurately ascertained; or

- (d) any period during which any transfer of funds involved in the realisation or acquisition of Investments of the relevant Fund cannot, in the opinion of the Directors, be effected at normal prices or rates of exchange; or
 - (e) any period when the Directors are unable to repatriate funds required for the purpose of making payments due on the repurchase of shares in the relevant Fund; or
 - (f) any period when the Directors consider it to be in the best interests of the relevant Fund; or
 - (g) following the circulation to Holders of a notice of a general meeting at which a resolution proposing to wind up the ICAV or terminate the relevant Fund is to be considered.
- 18.2 Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and thereafter there shall be no determination of the Net Asset Value of the relevant Fund and no issues, repurchases or exchanges of shares of the relevant Fund and no repurchase proceeds paid until the Directors shall declare the suspension at an end.
- 18.3 The Directors may postpone any Dealing Day for a Fund to the next Business Day if in the opinion of the Directors, a substantial portion of the Investments of the relevant Fund cannot be valued on an equitable basis and such difficulty is expected to be overcome within one Business Day.
- 18.4 The determination of the Net Asset Value of a Fund shall also be suspended where such suspension is required by the Central Bank in accordance with the Regulations.

19. NOTIFICATION OF SUSPENSION TO CENTRAL BANK, STOCK EXCHANGES AND HOLDERS

Any such suspension of the determination of the Net Asset Value of a Fund shall be notified to the Central Bank immediately and in any event within the same Business Day on which such suspension occurred. If the shares are listed on the official list of the Irish Stock Exchange or any other exchange any such suspension shall be notified to the Irish Stock Exchange and such other exchange within the time frame specified above. Details of any such suspension will also be notified to all Holders and will be published in a newspaper circulating in the European Union, or such other publications as the Directors may determine if, in the opinion of the Directors, it is likely to exceed 14 days.

COMPULSORY REPURCHASE OR TRANSFER OF SHARES

20. COMPULSORY REPURCHASE OR TRANSFER OF SHARES

- 20.1 The Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no shares of any Class are acquired or held directly or beneficially by a person who is in the opinion of the Directors any of the following:
- (a) any person who appears to be in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares; or
 - (b) any United States Person (unless pursuant to an exemption under U.S. Securities laws); or
 - (c) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the ICAV incurring any liability to taxation or suffering other pecuniary legal or material administrative disadvantages or being in breach of any law or regulation which the ICAV might not otherwise have incurred, suffered or breached; or

(d) any individual under the age of 18 (or such other age as the Directors think fit).

References in this Instrument to Permitted Investor means any person other than any of the persons specified above.

- 20.2 The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to paragraph 20.3 below. The Directors may, however, upon an application for shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in paragraph 20.1 above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto or for compliance with any anti-money laundering provisions applicable to the ICAV. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any shares held by such a Holder or joint Holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to paragraph 20.3 below.
- 20.3 If it shall come to the notice of the Directors that any shares are or may be owned or held directly or beneficially by any person who is not a Permitted Investor (the relevant shares), the Directors may give notice to the person in whose name the relevant shares are registered requiring him to transfer (and/or procure the disposal of interests in) the relevant shares to a person who is in the opinion of the Directors a Permitted Investor. If any person upon whom such a notice is served pursuant to this paragraph does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the relevant shares to a Permitted Investor, or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is not subject to such restrictions, the Directors may in their absolute discretion upon the expiration of such 21 days either arrange the transfer of all the relevant shares to a Permitted Investor in accordance with paragraph 20.5 below or arrange for the relevant shares to be repurchased by the ICAV at the relevant Repurchase Price. The Holder of the relevant shares shall be bound forthwith to deliver his certificate (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the transfer or repurchase, as the case may be, of the relevant shares by the ICAV.
- 20.4 A person who becomes aware that he holds or owns relevant shares shall forthwith unless he has already received a notice pursuant to paragraph 20.3 above transfer all his relevant shares to a Permitted Investor or with the approval of the Directors request the repurchase of the shares.
- 20.5 A transfer of relevant shares arranged by the Directors pursuant to paragraph 20.3 above, shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the relevant shares with a balance available for transfer to other Permitted Investors or repurchase by the ICAV. Any payment received by the ICAV for the relevant shares so transferred shall be paid to the person whose shares have been so transferred subject to paragraph 20.6 below.
- 20.6 Payment of any amount due to such person pursuant to paragraphs 20.3, 20.4 or 20.5 above shall be subject to any requisite exchange control consents first having been obtained and the ICAV not being in breach of any other law or regulation. The amount due to such person will be deposited by the ICAV in a bank for payment to such person upon such consents being obtained and against surrender of the certificate, if any, representing the relevant shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such relevant shares or any of them or any claim against the ICAV in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.
- 20.7 The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Section. The exercise of the powers conferred by this Section shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of shares by any person or that the true, direct or beneficial owner of any shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.

- 20.8 Notwithstanding any other provisions of this Instrument, where the ICAV is required to pay tax on the transfer by a Holder who is or is deemed to be an Irish Taxable Person of its shareholding or part thereof or on the occurrence of a chargeable event as defined in section 739(B) of the TCA, the ICAV shall be entitled to repurchase and cancel a sufficient portion of such shares and to appropriate the proceeds thereof as is necessary to discharge the amount of taxation payable in respect of the transfer of the relevant chargeable event.
- 20.9 The Directors may compulsorily repurchase all of the shares of any Fund if the Net Asset Value of the relevant Fund is less than the Minimum Fund Size.
- 20.10 The Directors may, in accordance with the terms of the Supplement for the relevant Fund, compulsorily repurchase all of the shares of any Fund on any Dealing Day.

INVESTMENT OF ASSETS

21. INVESTMENT OF ASSETS OF THE ICAV

- 21.1 The Directors shall subject to the restrictions and limits imposed under this Instrument and the Regulations determine the investment objectives and policies (including the permissible forms of Investments) and restrictions applying to the ICAV and any Fund and the Assets shall be invested in accordance with the investment objectives, policies and restrictions determined by the Directors.
- 21.2 Subject to the Regulations, the Directors may decide to invest up to 100 per cent of the Net Asset Value of a Fund in any of the Specific Investments.
- 21.3 Subject to and in accordance with the Regulations and with the prior approval of the Central Bank, the ICAV may wholly own any entity which Directors consider it necessary or desirable for the ICAV to incorporate or acquire or utilise.
- 21.4 The Directors may decide to invest in collective investment undertakings with which the ICAV is linked by common management or control or by a substantial direct or indirect holding subject to the restrictions and limits imposed under the Regulations.
- 21.5 Subject to the Regulations, the Directors may decide to retain, during such time or times as they think fit, all or any amount of cash of any Fund in any currency or currencies either in cash or on deposit with, or in certificates of deposit or other banking instruments issued by, the Depositary or any banker or other financial institution in any part of the world including any appointee of the ICAV or any associate or affiliate of such appointee subject to the provisions of the Central Bank Acts, 1942 to 1998 as amended by the Central Bank and Financial Services Regulatory Authority of Ireland Acts, 2003 to 2004, as may be further amended from time to time;
- 21.6 Subject to the investment objectives, policies and restrictions determined by the Directors, the ICAV may acquire or utilise derivative contracts of any description under any conditions and within any limits applicable to the ICAV laid down by the Central Bank from time to time for the purposes of the Regulations;
- 21.7 Subject to the Regulations, a Fund may be established with the objective of being an index tracking fund (where the aim of the Fund's investment policy is to replicate the composition of a stock or debt securities index which is recognised by the Central Bank).

DEPOSITARY

22. APPOINTMENT OF DEPOSITARY

The Directors shall subject to the prior approval of the Central Bank appoint a Depositary who shall be responsible for the safe custody of all the Assets, perform its duties prescribed by the Regulations and perform such other duties upon such terms as the Directors may, from time to time, (with the agreement of the Depositary) determine.

23. APPOINTMENT OF SUB-CUSTODIANS

The Depositary may pursuant to the Depositary Agreement, appoint sub-custodians, nominees, agents or other delegates to perform in whole or in part any of its duties or exercise any of its discretions as a custodian. For the avoidance of doubt the Depositary may not delegate the performance of any of its fiduciary duties or discretions and its liability shall not be affected by the fact that it has entrusted to a third party some or all of the Assets in its safe-keeping.

24. REMUNERATION OF DEPOSITARY

In consideration for its services as Depositary the Depositary shall be entitled to be paid by or on behalf of the ICAV out of the property of the ICAV:

- (a) a fee of such amount outlined in the Depositary Agreement; and
- (b) reasonable expenses and disbursements incurred by the Depositary in the performance of its functions and all other charges or fees expressly authorised by the Depositary Agreement; and
- (c) the Depositary shall not be obliged to account to the Holders or any of them for any payment received in accordance with the foregoing provisions.

25. RETIREMENT OR REPLACEMENT OF DEPOSITARY

25.1 Subject to the prior approval of the Central Bank, and in accordance with the terms of the Depositary Agreement, the Depositary may be removed or retire and a new Depositary appointed in the manner specified in paragraph 25.2 below.

25.2 In the event of the Depositary desiring to retire or on being removed in accordance with paragraph 25.1 above, the ICAV shall with the prior approval of the Central Bank appoint a duly qualified corporation which is approved by the Central Bank to be the Depositary in place of the Depositary so retiring or being removed on or before the date on which such retirement or removal is to take effect. In the event of the Depositary having given to the ICAV notice of its desire to retire or in the event of the Depositary being removed and no successor Depositary having been appointed within such period as may be agreed between the ICAV and the Depositary, the Depositary shall be entitled to require the ICAV to repurchase all the then issued shares of the ICAV or to convene an extraordinary general meeting to consider a resolution to wind up the ICAV. Following such repurchase or the passing of any such resolution, the ICAV shall be wound up in accordance with Part 11 of the Companies Act 2015 and this Instrument. The Depositary will remain in office until authorisation of the ICAV has been revoked by the Central Bank.

EQUALISATION PAYMENTS

26. EQUALISATION PAYMENTS

26.1 On any allotment or issue of any shares of any Class after the Initial Offer Period, if the Directors are operating an Equalisation Account in relation to the relevant Fund (but not otherwise), the Subscription Price in respect of each such share subscribed for should include an Equalisation Payment the same to be repayable in whole or in part as is hereinafter provided.

26.2 In the event of an Equalisation Account being operated in respect of any Fund, all Equalisation Payments received in accordance with paragraph 26.1 above, or deemed to have been received, shall be credited to the Equalisation Account in respect of the relevant Fund. Any amounts paid by way of Equalisation Payment shall be returnable in whole or in part to the payer only in the events specified in paragraph 26.3 below and not otherwise.

26.3 The Holder of a share on which an Equalisation Payment was paid or deemed to be paid on its issue shall be entitled to payment from the relevant Equalisation Account of a capital sum in the amount hereinafter provided on the payment of the first dividend thereon in respect of the same

accounting period after the date of issue of such share but prior to any repurchase being made subsequent to the date of issue of such share.

- 26.4 The capital sum payable pursuant to paragraph 26.3 above shall be an amount equal to the Equalisation Payment paid or deemed to be paid on the issue of such share or, if the Directors so think fit, a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account at the date to which the relevant dividend relates, by the number of shares in respect of which such capital sums are payable PROVIDED that in so doing such shares may be divided into two or more groups issued within different periods of time as may be selected by the Directors in any one accounting period and the capital sum payable on each share in each such group shall be a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account in respect of the shares of each such group by the number of shares in such group. Provided further that in no circumstances shall the capital sum payable in respect of any one share pursuant to this paragraph exceed the amount of the dividend declared on such share.
- 26.5 Any capital sums repaid to a Holder in accordance with the provisions of this Section shall release the ICAV from any liability to repay to the Holder the Equalisation Payment paid, and such Holder shall accept any such capital sum in full and final satisfaction of any Equalisation Payment otherwise payable.

DEALINGS IN SHARES

27. DEALINGS IN SHARES

- 27.1 Without prejudice as to the generality of this Instrument, the manager may purchase on any Dealing Day shares of any Class at not less than the Subscription Price (in respect of a purchase from the ICAV) or the Repurchase Price (in respect of a purchase from a Holder) for shares of the Class in question established as at the relevant Dealing Day. Any amount payable by the manager in respect of the purchase of shares shall be paid not later than the relevant Settlement Date;
- 27.2 The manager shall be entitled in the name and on behalf of any Holder whose shares are to be purchased by the manager to execute an instrument of transfer in respect of the shares. The manager may be registered as a Holder in respect of such shares; and
- 27.3 Any shares of any Fund acquired by the manager pursuant to the foregoing provisions and for the time being outstanding may be sold by the manager on the Dealing Day on which the manager acquired them or any subsequent Dealing Day in satisfaction of the whole or any part of any application for shares of the Class in question. Such sale shall be effected at any price not exceeding the aggregate of the Subscription Price of shares of the relevant Class as at the Dealing Day for which such application is made as at the relevant day in the case of such application plus the preliminary charge (if any) to which the manager would be entitled under this Instrument and the manager shall be entitled to retain for its own use and benefit all monies received by it on such sale; and
- 27.4 Subject to the provisions of this Instrument, the manager shall have the right on any Dealing Day, provided that the ICAV is notified on or prior to the Dealing Deadline for such Dealing Day, to surrender certificate(s) to the ICAV for cancellation of some or all of the shares represented thereby. In respect of any such cancellation of shares, the manager shall be entitled to receive out of the relevant Fund an amount equal to the Repurchase Price that would be payable in respect of such shares if they were repurchased as at that Dealing Day pursuant to the provisions of this Instrument. Any amount payable to the manager on foot of such request for cancellation shall be payable not later than the relevant Settlement Date. The right of the manager to require cancellation of any share shall be suspended during any period when the right of Holders of shares to require the repurchase of those shares is suspended pursuant to this Instrument.

APPENDIX III

28. DETERMINATION OF NET ASSET VALUE

- 28.1 The Net Asset Value of any Fund (i.e. the value of the Assets of a Fund having deducted the liabilities (excluding Holders equity) of that Fund therefrom) or any share shall be expressed in the currency in which the Fund or the shares are designated or in such other currency as the Directors may determine, from time to time, and shall be determined, in accordance with the valuation rules set out hereafter.
- 28.2 For the purposes of such valuation, Assets of the ICAV, shall be determined to include but are not limited to:
- (a) all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and all accounts receivable, (ii) all bills, demand notes, certificates of deposit, and promissory notes, (iii) all bonds, shares, stock, securities, obligations, debentures, debenture stock, forward rate agreements, subscription rights, warrants, promissory notes, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, variable and floating rate securities, securities in respect of which the return and/or repurchase amount is calculated by reference to any index, price or rate, monetary and financial instruments of all kinds, (iv) all stock and cash dividends and cash distributions to be received by the ICAV and not yet received by it but declared to stockholders of record on a date on or before the relevant Valuation Point as at which the Net Asset Value is determined, (v) all interest accrued on or before the relevant Valuation Point on any interest-bearing securities owned by the ICAV except to the extent that the same is included or reflected in, the principal value of such security, (vi) all other Investments of the ICAV, (vii) the preliminary expenses incurred in establishing the ICAV which are payable by the ICAV and which may include the cost of issuing, distributing, marketing and promoting shares of the ICAV insofar as the same have not been written off and (viii) all other Assets of the ICAV of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- 28.3 The Directors shall be entitled to determine in relation to any preliminary costs, charges, fees and expenses that the same may be amortised over such period as they think fit.
- 28.4 The Assets and liabilities of a Fund will be valued as follows:
- (a) Assets listed or traded on a stock exchange (other than those referred to at 28.4.5 and 28.4(g) below) for which market quotations are readily available shall be valued at the last traded price on the principal exchange or market for such investment as at the Valuation Point for the relevant Dealing Day provided that the value of any investment listed on a stock exchange but acquired or traded at a premium or at a discount outside or off the relevant market may be valued taking into account the level of premium or discount at the date of valuation and the Depositary must ensure the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security. Such premiums or discounts thereon above shall be provided by an independent broker or market maker or if such premiums/discounts are unavailable, by the Investment Manager. However, the Directors in agreement with the Investment Manager may adjust the value of investments traded on an over-the-counter market if it considers such adjustment is required to reflect the fair value thereof in the context of currency, marketability, dealing costs and/or such other considerations as are deemed relevant.

If for specific Assets the last traded prices do not, in the opinion of the Directors or their delegate, reflect their fair value or are not available, the value shall be calculated with care and in good faith by a competent person, (appointed by the Directors and being approved by the Depositary as a competent person for such purpose) in consultation with the Investment Manager with a view to establishing the probable realisation value for such assets as at the Valuation Point for the relevant Dealing Day.

- (b) If the Assets are listed or traded on several stock exchanges or over-the-counter markets, the last traded price on the stock exchange or over-the-counter market which, in the opinion of the Directors or their delegate, constitutes the main market for such assets, will be used.
- (c) In the event that any of the investments as at the Valuation Point for the relevant Dealing Day are not listed or traded on any stock exchange or over-the-counter market, such securities shall be valued at their probable realisation value determined by a competent person (appointed by the Directors as and being approved by the Depositary as a competent person for such purpose) with care and in good faith in consultation with the Investment Manager. Such probable realisation value will be determined:
 - (i) by using the original purchase price;
 - (ii) where there have been subsequent trades with substantial volumes, by using the last traded price provided the Directors or their delegate in consultation with the investment manager/adviser considers such trades to be at arm's length;
 - (iii) where the Directors or their delegate in consultation with the investment manager/adviser believes the Investment has suffered a diminution in value, by using the original purchase price which shall be discounted to reflect such a diminution;
 - (iv) if the Directors or their delegate in consultation with the investment manager/adviser believes a mid-quotations from a broker is reliable, by using such a mid-quotations or, if unavailable, a bid quotations.

Alternatively, the Directors or their delegate in consultation with the investment manager/adviser, may use such probable realisation value estimated with care and in good faith and as may be recommended by a competent professional appointed by the Directors or their delegate or the investment manager/adviser and approved for such purpose by the Depositary. Due to the nature of such unquoted securities and the difficulty in obtaining a valuation from other sources, such competent professional may be related to the investment manager/adviser.

- (d) Cash and other liquid assets will be valued at their face value with interest accrued, where applicable.
- (e) Units or shares in open-ended collective investment schemes will be valued at the latest available net asset value as at the Valuation Point for the relevant Dealing Day and published by the collective investment scheme; units or shares in closed-ended collective investment schemes will, if listed or traded on a stock exchange or regulated market, be valued at the last traded price for such investment as at the Valuation Point for the relevant Dealing Day or, if unrepresentative or unavailable at the probable realisation value, as estimated with care and in good faith by a competent person appointed by the Directors and approved for the purpose by the Depositary.
- (f) Any value expressed otherwise than in the Base Currency of the relevant Fund (whether of an investment or cash) and any non-Base Currency borrowing shall be converted into the Base Currency at the rate which a competent person (being independent from the counterparty), appointed by the Directors and approved for such purpose by the Depositary, deems appropriate in the circumstances.
- (g) Exchange traded derivative instruments will be valued at the settlement price for such instruments on such market as at the Valuation Point for the relevant Dealing Day; if such price is not available such value shall be the probable realisation value estimated with care and in good faith by a person appointed by the Directors (and approved for such purpose by the Depositary). Over-the-counter derivative instruments will be valued at the latest valuation for such instruments as at the Valuation Point for the relevant Dealing Day as provided by the counterparty on a daily basis and verified on a weekly basis by a competent person (being independent from the counterparty) appointed by the Directors

and approved for such purpose by the Depositary. Alternatively, the value of any over-the-counter derivative contract may be the quotation from an independent pricing vendor or that calculated by the ICAV itself and shall also be valued daily. Where this alternative valuation is used the ICAV must follow international best practice and adhere to specific principles on such valuations established by bodies such as IOSCO and AIMA as specified by the Central Bank in Guidance Note 1/00. Any such alternative valuation must be provided by a competent person appointed by the Directors and approved for the purpose by the Depositary. Any such alternative valuation must be reconciled to the counterparty valuation on a monthly basis. Where significant differences arise these must be promptly investigated and explained. Forward foreign exchange contracts shall be valued as at the Valuation Point for the relevant Dealing Day by reference to the freely available market quotations, namely, the price at which a new forward contract of the same size and maturity could be undertaken, or, if unavailable, they shall be valued at the settlement price as at the Valuation Point for the relevant Dealing Day as provided by the counterparty on a daily basis and verified on a weekly basis by a competent person (being independent from the counterparty), appointed by the Directors and approved for such purpose by the Depositary.

- (h) Notwithstanding the provisions of paragraphs 28.4.(a) to 28.4.(g) above:
 - (i) The Directors or their delegate may, at its discretion in relation to any particular Fund which is a money market Fund, value any investment using the amortized cost method of valuation where such collective investment schemes comply with the Central Bank's requirements for money market funds and where a review of the amortized cost valuation vis-à-vis market valuation will be carried out in accordance with the Central Bank's guidelines.
 - (ii) The Directors or their delegate may, at its discretion, in relation to any particular Fund which is not a money market fund but which invests in money market instruments, value any investment on the basis of the amortised cost method, provided that each such security being valued using the amortised cost basis of valuation shall be carried out in accordance with the Central Bank's requirements.
- (i) In the event of it being impossible or incorrect to carry out a valuation of a specific investment in accordance with the valuation rules set out in paragraphs (a) to (h) above, or if such valuation is not representative of the security's fair market value, the value shall be estimated with care and in good faith, by a competent person appointed by the Directors (being approved by the Depositary) or by a competent person, appointed by the Directors and approved for the purpose by the Depositary, or by a competent person, appointed by the Directors and approved for the purpose by the Depositary, using an alternative method approved by the Depositary.
- (j) If in any case a particular value is not ascertainable as provided above or if the Directors shall consider that some other method of valuation better reflects the fair value of the relevant investment, then in such case the method of valuation of the relevant investment shall be such as the Directors in their absolute discretion shall determine, provided that such method of valuation is approved by the Depositary.
- (k) Notwithstanding the generality of the foregoing, the Directors may with the approval of the Depositary adjust the value of any Investment if taking into account currency, applicable rate of interest, anticipated rate of dividend, maturity, marketability, liquidity and/or such other considerations as they may deem relevant, they consider that such adjustment is required to reflect the fair value thereof as at the relevant Valuation Point.

28.5 Notwithstanding the foregoing, where at any Valuation Point any Asset of the ICAV has been realised or contracted to be realised there shall be included in the Assets of the ICAV in place of such Asset the net amount receivable by the ICAV in respect thereof, provided that if such amount is not then known exactly then its value shall be the net amount estimated by the Directors as receivable by the ICAV. If the net amount receivable is not payable until some future time after the Valuation Point in question the Directors shall make such allowance as they consider appropriate to reflect the true current value thereof as at the relevant Valuation Point.

- 28.6 For the purposes of this Appendix:
- (a) monies payable to the ICAV in respect of the allotment of shares shall be deemed to be an Asset of the ICAV as of the time at which such shares are deemed to be in issue in accordance with Section 2.3 of Appendix II;
 - (b) monies payable by the ICAV as a result of the cancellation of allotments or on the compulsory repurchase or transfer of shares or on repurchase of shares shall be deemed to be a liability of the ICAV from the time at which such shares are deemed to cease to be in issue in accordance with Section 2.3 or Section 13.3 of Appendix II.
